CRN Recognizes ClearOne in its Annual Network Connectivity Services Partner Program Guide

The Premier Channel Partner Program from ClearOne Combines Innovative, Award-Winning Voice and Video Media Collaboration Solutions with Premium Support for Select Resellers

SALT LAKE CITY, Sept. 24, 2014 /PRNewswire/ -- ClearOne (NASDAQ: CLRO) has been profiled in the prestigious CRN 2014 Network Connectivity Services Partner Program Guide (PPG) for the ClearOne Premier Partner Program. Each year, CRN highlights the industry leaders in the telecom, cloud, and connectivity industries. It also recognizes industry leaders ready, willing, and able to help partners understand and benefit from technology convergence.

Channel resellers have many choices when selecting manufacturing partners. Identifying the right suppliers, with the right technologies and the right approaches is critical to their success. A fundamental change is happening in the industry as disparate types of solution and service providers are coming together. Through resources like the CRN Network Connectivity Services Partner Program Guide, companies seeking vendor partners are better able to identify those known for channel-savvy, go-to-market strategies, and creative ways of embracing shared market opportunities.

The ClearOne Premier Partner Program is designed to meet and exceed the needs of select resellers, focusing on audio and visual collaboration opportunities. These organizations extend ClearOne's reach by marketing, selling, and providing high-level services with the company's portfolio of conferencing, collaboration, network streaming, and digital signage solutions. Many of ClearOne's channel partners focus on specific types of solutions, vertical markets, and geographic regions.

ClearOne is focused on the critical role played by its channel partners in delivering superior solutions to end users, and giving them the guidance, services, and support to gain the greatest benefit from ClearOne solutions. The company provides partners with the resources and support they need to fulfill their commitments to their customers.
