PROXY STATEMENT

VOTING AND OTHER MATTERS

General

The accompanying proxy is solicited on behalf of ClearOne Communications, Inc., a Utah corporation, by the Board of Directors for use at our 2009 Annual Meeting of Shareholders to be held November 30, 2009 at 9:00 a.m., local time, or at any postponement or adjournment thereof, for the purposes set forth herein and in the accompanying notice. The meeting will be held at the above date and time at our corporate offices, 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116.

These proxy solicitation materials will be distributed on or about October 16, 2009 to all shareholders entitled to vote at the meeting.

Record Date and Shares Outstanding

Shareholders of record at the close of business on October 12, 2009 are entitled to notice of, and to vote at, the meeting. On the record date, 8,929,002 shares of common stock were issued and outstanding. Each holder of common stock will be entitled to one vote for each share of common stock held on the record date.

Voting of Proxies

By completing and returning the accompanying proxy, the shareholder authorizes Zeynep Hakimoglu, Chairman and Chief Executive Officer, and Narsi Narayanan, Corporate Secretary, as designated on the face of the proxy, to vote all shares for the shareholder. All proxies that are properly signed and dated will be voted as the shareholder directs. If no direction is given, executed proxies will be voted FOR the election of each of the nominees set forth in this proxy statement.

Vote Required for Approval

A quorum must be present at the meeting in order for the shareholders to take official action. Under Utah law and our Articles of Incorporation and Bylaws, a quorum will exist if a majority of the total number of shares entitled to vote are present, in person or by proxy. Abstentions and broker non-votes will be considered present and entitled to vote at the meeting and will be counted for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter currently proposed for action at the meeting. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter. Assuming that a quorum is present, the election of directors will be determined by plurality vote. The Board of Directors recommends that an affirmative vote be cast in favor of all nominees listed in the proxy statement.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to us written notice of revocation, a duly executed proxy bearing a later date, or by attending the meeting and voting in person.

Solicitation

We will pay the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers, and employees, without additional compensation, personally or by telephone, facsimile, or e-mail.

Annual Report and Other Matters

Our 2009 Annual Report on Form 10-K, which was made available to shareholders with or preceding this proxy statement, contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended. The information contained in the “Audit Committee Report” shall not be deemed “filed” with the Securities and Exchange Commission or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

We will provide, without charge, a printed copy of our annual report on Form 10-K for the fiscal year ended June 30, 2009 as filed with the Securities and Exchange Commission to each shareholder of record as of the record date that requests a copy in writing. Any such requests should be directed to our company’s secretary at our corporate offices set forth in this proxy statement.

ELECTION OF DIRECTORS

Our articles of incorporation and bylaws provide that our Board of Directors shall consist of not less than three nor more than nine members as the Board of Directors or our shareholders shall determine from time to time. The Board of Directors has currently fixed the number of directors at five. The term of each of our directors expires at the 2009 Annual Meeting. We have nominated all four existing directors and have nominated a new director for election at the meeting to serve until the next Annual Meeting of Shareholders or until their respective successors are duly elected and qualified. In the event any nominee is unable to serve, the proxies will be voted for a substitute nominee, if any, to be designated by our Board of Directors. The Board of Directors has no reason to believe any nominee will be unable or will decline to serve as a director.

CORPORATE GOVERNANCE

Information Relating to Corporate Governance and the Board of Directors

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Messrs. Baldwin, Hendricks, and Huntsman are independent directors, as "independence" is defined by the listing standards of NASDAQ, because they have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.

Our Board of Directors has adopted charters for the Audit and Nominating Committees describing the authority and responsibilities delegated to each committee by the Board. We post on our website at www.clearone.com, the charters of our Audit and Nominating Committees; our Code of Ethics, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC or Nasdaq regulations. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our corporate offices set forth in this proxy statement.

Audit Committee. The Audit Committee meets to review and discuss our accounting practices and procedures with management and independent public accountants and to review our quarterly and annual financial statements. The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing, and reporting practices. The Audit Committee's primary duties include reviewing the scope and adequacy of our internal accounting and financial controls; reviewing the independence of our independent registered public accounting firm; approving the scope of their audit activities; approving the fees of our independent registered public accounting firm; approving any non-audit related services; reviewing the audit results; reviewing the objectivity and effectiveness of our internal audit function; and reviewing our financial reporting activities and the application of accounting standards and principles.

The members of the Audit Committee are Scott M. Huntsman (Chairman), Brad R. Baldwin, and Larry R. Hendricks. The Board of Directors has determined that Scott M. Huntsman is an "audit committee financial expert" in accordance with applicable rules and regulations of the SEC.

Compensation Committee. The Compensation Committee is responsible for overseeing, reviewing, and approving our executive compensation and benefit programs. The members of the Compensation Committee are Brad R. Baldwin (Chairman) and Scott M. Huntsman. The Compensation Committee has not adopted a written charter.

Our compensation objectives for executive officers are as follows:

- to attract and retain highly qualified individuals capable of making significant contributions to the long-term success of our company;
- to use incentive compensation to reinforce strategic performance objectives;
- to align the interest of our executives with the interests of our shareholders such that risks and rewards of strategic decisions are shared; and
- to reflect the value of each officer's position in the marketplace and within our company.

Policies and Practices Related to ClearOne's Compensation Program. We strive to create an overall compensation package for each executive officer that satisfies the aforementioned objectives, recognizing that certain elements of compensation are better suited to reflect different compensation objectives. For example, as base salaries are the only element of compensation that are fixed in amount in advance of the year in which the compensation will be earned, the Compensation Committee believes that it is most appropriate to determine base salaries with a focus on the market practices for similarly situated officers at comparable companies as adjusted to reflect the individual officer's performance during the preceding year. In contrast, cash bonuses and long-term incentives are better able to reflect our company's performance as measured by financial metrics and are well-suited to motivate officers to achieve specific performance goals that the Compensation Committee has determined are in the best interests of our company. Equity grants are also well-suited to drive long-term performance and align management's interests with those of shareholders. The Compensation Committee believes that as an officer's responsibility increases, so does his or her ability to influence the performance of our company and accordingly, the proportion of his or her compensation that consists of his or her salary and cash bonus should decrease while the proportion of equity incentives to total compensation should increase.

Comparable Companies. In making compensation decisions, including assessing the competitiveness of the total compensation structure for each named executive officer, the Compensation Committee considers compensation survey data from companies that the Compensation Committee has selected as comparable companies, namely comparable in terms of size and location. The Compensation Committee periodically reviews the companies that are included as comparable companies and makes revisions to the group as appropriate. During June 2008, the Compensation Committee reviewed survey data from Salary.com and Culpepper. Salary.com survey was used to identify salary trends for companies of similar size (about 100 employees) and Culpepper data was used to identify trends for particular positions. The above data were validated against other reported data from sources such as AFL-CIO, The Financial Times and Mercer.

Equity Grant Practices. The Compensation Committee recognizes the importance of equity ownership in the alignment of shareholder and management interests. The exercise price of each stock option awarded to our executive officers under our incentive compensation programs is equal to the closing price of our common stock on the date of grant, which is the date when the Compensation Committee acts to approve equity awards for senior executives. Performance-based equity awards are also granted to our named executive officers at this time.

The Compensation Committee establishes the criteria, and directs the implementation, of all compensation program elements for the executive officers. Generally, the base salary for each named executive officer is set at the beginning of each fiscal year by our Board of Directors after review of the recommendation of the Compensation Committee. The Compensation Committee considers the Chief Executive Officer's appraisal of other executive officers' general performance and especially performance against predetermined goals before making its recommendation to the Board of Directors. In the past, the Compensation Committee has authorized the Chief Executive Officer to recruit executive officers and offer initial base salaries. The Chief Executive Officer recommends for the Compensation Committee's approval the stock option grants and compensation related to achievement of non-quantitative goals under non-equity based incentive plans for other executive officers. The Compensation Committee did not employ any compensation consultants during the last fiscal year.

Nominating Committee. The Nominating Committee is responsible for overseeing the nomination of our directors. The Nominating Committee selects, evaluates, and recommends to the full Board of Directors qualified candidates for election to the Board of Directors. The members of the Nominating Committee are Larry R. Hendricks (Chairman), Brad R. Baldwin, and Scott M. Huntsman.

The Board of Directors will consider recommendations for director nominees by shareholders if the names of those nominees and relevant biographical information are submitted in writing to our company's Secretary in the manner described for shareholder nominations below under the heading "Shareholder Proposals." The Nominating Committee identifies and evaluates nominees for our Board of Directors, including nominees recommended by shareholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our Board of Directors. All director nominations, whether submitted by a shareholder, the Nominating Committee, or the Board of Directors, will be evaluated in the same manner. The current nominees for director were recommended by the Nominating Committee and nominated by the Board of Directors, including the independent members thereof.

Board and Committee Meetings

Our Board of Directors held a total of 11 meetings during the fiscal year ended June 30, 2009. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors; and (ii) the total number of meetings held by all committees of the Board of Directors on which such director was a member. We encourage each of our directors to attend each annual meeting of stockholders. To that end, and to the extent reasonably practicable, we regularly schedule a meeting of the Board of Directors on the same day as our annual meeting of shareholders. All members of our Board of Directors attended the 2008 annual meeting of shareholders.

During the fiscal year ended June 30, 2009, the Audit Committee held six meetings; the Compensation Committee held four meetings; and the Nominating Committee held two meetings.

Code of Ethics

The Board of Directors adopted a code of ethics that applies to our Board of Directors, executive officers, and employees. The Company's Code of Ethics is posted on our website at www.clearone.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, as amended, requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership on Form 3 and reports of changes of ownership of our equity securities on Forms 4 and 5. Officers, directors, and greater than 10% shareholders are required to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the reports and amendments to reports furnished to us during the fiscal year ended June 30, 2009, and written representations that no other reports were required, we believe that each person who, at any time during such fiscal year was a director, officer, or beneficial owner of more than 10% of our common stock, complied with all Section 16(a) filing requirements during such fiscal year, except that Mr. Joseph P. Sorrentino, our Executive Vice President of Worldwide Sales, filed a late Form 3 related to his initial statement of beneficial ownership.

- (1) The amounts in the “Option Awards” column reflect the dollar amount recognized for financial statement reporting purposes for the fiscal years ended June 30, 2009 and 2008, in accordance with SFAS 123(R) of awards of stock options granted pursuant to our long-term incentive plans, and thus may include amounts from awards granted in and prior to each reported fiscal year. Potential Payments Upon Termination or Change in Control

Employment Agreements. As of the end of our 2009 fiscal year, none of our named executive officers were party to an employment or severance agreement with us, and each named executive officer's employment was on an "at-will" basis, permitting either us or the executive to terminate his or her employment for any reason or for no reason.

Accelerated Stock Option Vesting Upon a Change in Control. For certain option grants to executive officers and directors, in the event of a change in control, then all of such optionee's unvested stock options will vest and become exercisable immediately prior to the event or closing of the transaction causing the change in control.

Change in Control shall mean a change in ownership or control of the Corporation effected through either of the following transactions:

(i) the acquisition, directly or indirectly, by any person or related group of persons (other than the Corporation or a person that directly or indirectly controls, is controlled by, or is under common control with, the Corporation), of beneficial ownership (within the meaning of Rule 13d-3 of the 1934 Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Corporation's outstanding securities pursuant to a tender or exchange offer made directly to the Corporation's stockholders, which the Board does not recommend such stockholders to accept, or

(ii) a change in the composition of the Board over a period of thirty-six (36) consecutive months or less such that a majority of the Board members ceases, by reason of one or more contested elections for Board membership, to be comprised of individuals who either (A) have been Board members continuously since the beginning of such period or (B) have been elected or nominated for election as Board members during such period by at least a majority of the Board members described in clause (A) who were still in office at the time the Board approved such election or nomination.

Except as otherwise set forth in an option grant, in the event of a change in control of our company, the Board of Directors has the sole authority to elect that the vesting of each outstanding option automatically accelerate so that each such option shall, immediately prior to the effective date of the corporate transaction, become fully exercisable for all of the shares of common stock at the time subject to such option and may be exercised for any or all of those shares as fully vested shares of common stock.

At our current stock price of about \$2.77, no benefit or payments would accrue to any executive officer for any potential accelerated vesting of unvested stock options.

DIRECTOR COMPENSATION

The following table summarizes the compensation paid by us to non-employee directors for the year ended June 30, 2009. Ms. Hakimoglu did not receive additional compensation for her service as a director.

Name	Fees Earned or Paid in Cash ⁽¹⁾ (\$)	Option Awards ⁽²⁾ (\$)	Total (\$)
Brad R. Baldwin	24,000	16,481	40,841
Larry R. Hendricks	24,000	16,481	40,841
Scott M. Huntsman	24,000	16,481	40,841

-
- (1) The base annual director's fee for fiscal 2009 was \$24,000.
- (2) The amounts shown in the "Option Awards" column reflect the dollar amount recognized for financial statement reporting purposes for the year ended June 30, 2009 in accordance with SFAS 123(R), and thus included amounts for awards granted in years prior to fiscal 2009. The grant date fair value of each equity award is computed in accordance with FAS 123R. No options were granted to non-employee directors during fiscal 2009.
- (3) As of the end of fiscal year 2009, each non-employee director had outstanding options to purchase the following number of company shares of common stock: Mr. Baldwin, 150,000; Mr. Hendricks, 75,000 and Mr. Huntsman, 75,000.

All non-employee directors are paid a fixed fee at the rate of \$2,000 per month and receive the same option grants. The fee is not dependent on the number of meetings attended by any directors. Directors are not paid additional compensation for chairing a committee. All directors are reimbursed by us for their out-of-pocket travel and related expenses incurred in attending all Board of Directors and committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We recognize that transactions between us and any of our directors or executives can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our company and shareholders. Therefore, as a general matter and in accordance with our Code of Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of our company. Though we do not have a written policy, we intend to adopt a policy which requires our Audit Committee to review and, if appropriate, to approve or ratify any such transactions. Pursuant to the policy, the committee will review any transaction in which we are or will be a participant and the amount involved exceeds \$120,000, and in which any of our directors or executives had, has or will have a direct or indirect material interest. After its review the committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of our company and our shareholders, as the committee determines in good faith.

Related Party Transactions. Edward D. Bagley, former Chairman of the Board and greater than 20% shareholder serves as a consultant to our company. During the fiscal year ended June 30, 2009, Mr. Bagley received consulting fees of \$48,000. Mr. Bagley is eligible to participate in our equity incentive programs and pursuant to his consulting agreement with us will be granted stock options commensurate with grants of stock options made to our directors. Additionally, in connection with the insurance coverage action described under the caption "Item 3, Legal Proceedings" of our Form 10-K for the year ended June 30, 2009, we and our counsel entered into a Joint Prosecution and Defense Agreement dated as of April 1, 2004 with Edward D. Bagley, former Chairman of the Board of Directors, and his counsel, which generally provides that we and Mr. Bagley will jointly prosecute their claims against the carriers of certain prior period directors' and officers' liability insurance policies and jointly defend the claims made by the insurance carriers in order to reduce litigation expenses.

On October 7, 2009, we entered into an agreement with Bagley, wherein the Joint Prosecution and Defense Agreement was terminated and Bagley waived all his claims to settlement proceeds received from Lumbermens Mutual and National Union. We also released Bagley of any obligations for attorneys' fees or other expenses that might have been incurred in the litigation against Lumbermens Mutual or National Union.

Indemnification of Officers and Directors. On July 25, 2007, the U.S. Attorney's Office for the District of Utah indicted two of our former officers, Frances Flood and Susie Strohm, for allegedly causing us to issue materially misstated financial statements for our 2001 and 2002 fiscal years. On January 31, 2008, the U.S. Attorney's Office filed a Second Superseding Indictment further alleging perjury in connection with the prior investigation by the SEC into the alleged misstatements. We cooperated fully with the U.S. Attorney's Office in this matter and were advised that we were neither a target nor a subject of the investigation or indictment. In December 2003, we entered into indemnification agreements with each former officer, requiring payment of all reasonable attorneys' fees and costs incurred in defending against the charges in certain circumstances consistent with and subject to limitations under applicable law. To date, we have paid approximately \$2.2 million in attorneys' fees and costs to defend against the charges. During August 2008, Ms. Strohm and her counsel filed a lawsuit in the Third Judicial District Court in Salt Lake City, Utah seeking a declaratory judgment and injunctive relief to compel us to continue to advance Ms. Strohm's attorneys' fees and costs to defend against the charges, plus interest for amounts previously requested and not paid. Also during August 2008, Ms. Flood filed a lawsuit in Federal District Court for the District of Utah, seeking similar relief.

The federal criminal trial of both former officers commenced on February 2, 2009 and the jury rendered its verdict on February 27, 2009. Flood was convicted on nine counts, including conspiracy to willfully falsify our books and records, willfully making false statements in quarterly and annual reports, willfully making and causing to be made misleading and false statements to our accountants in connection with the accountants' audits, federal securities fraud, and perjury in connection with testimony given under oath in an official proceeding brought by the SEC in 2003. Strohm was convicted on one count of perjury in connection with testimony given under oath in an official proceeding brought by the SEC in 2003.

During the third fiscal quarter of 2009 and in accordance with generally accepted accounting principles, we reversed approximately \$1.1 million of this contingent liability as a result of the February 2009 jury verdict in the federal criminal trial. As a result of the jury's conviction of the two former officers on some or all of the crimes with which they were charged – and based on the Court's instructions to the jury – it is no longer probable that we will be required to pay the \$1.1 million amount.

Flood: During January 2009, the Federal District Court in the Flood lawsuit issued a preliminary injunction requiring us (1) to pay 60% of Flood's legal fees and costs in the criminal proceeding to Flood's attorneys (as reflected in the invoices submitted by Flood's attorneys), and (2) to pay the remaining 40% of Flood's legal fees and costs into a court escrow account. Pursuant to the Court's order, the Court intends to make a reasonableness determination concerning these fees and costs and the Court's order states that "[t]o the extent fees or costs are found to be unreasonable, the monies held in escrow shall be refunded to ClearOne." Pursuant to the Court's order, we paid approximately \$368,000 to Flood's attorneys and approximately \$248,000 into the Court's escrow. Our appeal of the Court's order is currently pending.

The Federal District Court issued a ruling during June 2009 granting Flood's motion for summary judgment on her claim that we breached her Employment Separation Agreement by stopping the advancement of funds for her defense, and granting our motion to dismiss Flood's unjust enrichment and promissory estoppel claims. The Court further denied our motion to dismiss Flood's claim for intentional infliction of emotional distress.

During July 2009 we asserted counterclaims for \$3.3 million based on the undertaking Flood signed in August 2003, in which she promised to repay all advanced expenses if it was ultimately adjudged that she did not meet the requisite standard of conduct. During August 2009, we asserted similar counterclaims against Strohm based on her undertaking to meet requisite standard of conduct.

Strohm: Strohm and her counsel seek approximately \$1.1 million in attorneys' fees and costs incurred in defending the federal criminal proceeding, 18% interest, attorneys' fees and costs. During August, 2009, we asserted counterclaims for \$3.2 million against Strohm based on the undertakings she signed in 2003, in which she promised to repay all advanced expenses if it was ultimately adjudged that she did not meet the requisite standard of conduct. Presently before the Court are our motion for summary judgment based on Strohm's undertakings on the grounds that her conviction establishes that she did not meet the requisite standard of conduct. Also pending before the Court is Strohm's summary judgment motion seeking mandatory indemnification based on her claim that she was largely successful at trial.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is comprised of three directors, all of whom are independent as defined in Nasdaq and SEC rules and regulations. The members of the Audit Committee are Scott M. Huntsman, Brad R. Baldwin, and Larry R. Hendricks. Scott M. Huntsman is the Board of Directors' designated "audit committee financial expert" as that term is defined in the securities laws.

We are responsible for our internal controls and the financial reporting process. Our independent registered public accounting firm is responsible for performing an audit of our financial statements in accordance with generally accepted auditing standards in the United States of America and for expressing an opinion on those financial statements based on its audit. The Audit Committee reviews these processes on behalf of the Board of Directors. The Audit Committee has reviewed and discussed with us and our independent registered public accounting firm the audited financial statements contained in our Annual Report on Form 10-K for the year ended June 30, 2009.

Additionally, the Audit Committee has discussed with the principal accountants the auditors' independence from management and our company including the matters in the written disclosure and the letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and considered the compatibility of nonaudit services with the accountants' independence. The Audit Committee also discussed with the principal accountants any matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communications with Audit Committees).

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended June 30, 2009 for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee.

Scott M. Huntsman (Chair)
Brad R. Baldwin
Larry R. Hendricks

The Audit Committee approves or pre-approves all services provided by our public accountants. Permitted services include audit and audit-related services, tax and other non-audit related services. Certain services are identified as restricted. Restricted services are those services that may not be provided by our external public accountants, whether identified in statute or determined to be incompatible with the role of an independent auditor. All fees identified in the preceding table were approved by the Audit Committee.
