PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

DECEMBER 15, 2010

General

The accompanying proxy is solicited on behalf of ClearOne Communications, Inc., a Utah corporation, by the Board of Directors for use at our 2010 Annual Meeting of Shareholders to be held December 15, 2010 at 9:00 a.m., local time, or at any postponement or adjournment thereof, for the purposes set forth herein and in the accompanying notice.

These proxy solicitation materials will be distributed on or about November 5, 2010 to all shareholders entitled to vote at the meeting.

Record Date and Shares Outstanding

Shareholders of record at the close of business on October 25, 2010 are entitled to notice of, and to vote at, the meeting. On the record date, 8,929,421 shares of common stock were issued and outstanding. Each holder of common stock will be entitled to one vote for each share of common stock held on the record date.

Voting of Proxies

By completing and submitting the proxy (whether over the internet, by telephone, or by signing, dating and mailing a proxy card), the shareholder authorizes Zeynep Hakimoglu, Chairman and Chief Executive Officer, and Narsi Narayanan, Corporate Secretary, as designated on the face of the proxy, to vote all shares for the shareholder. All proxies that are properly completed and submitted will be voted as the shareholder directs. If no direction is given, executed proxies will be voted FOR the election of each of the nominees set forth in this proxy statement.

Vote Required for Approval

A quorum must be present at the meeting in order for the shareholders to take official action. Under Utah law and our Articles of Incorporation and Bylaws, a quorum will exist if a majority of the total number of shares entitled to vote are present, in person or by proxy. Abstentions will be considered present and entitled to vote at the meeting and will be counted for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter currently proposed for action at the meeting. If a broker indicates on the proxy that as to certain shares it does not have discretionary authority to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter. The election of directors is a non-routine matter on which brokers are not allowed to vote unless they have received voting instructions from their customers. Assuming that a quorum is present, the election of directors will be determined by plurality vote. The Board of Directors recommends that an affirmative vote be cast in favor of all nominees listed in the proxy statement.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by delivering to our Corporate Secretary a written notice of revocation or a duly executed proxy bearing a later date, or by attending the meeting and voting in person.

Solicitation

We will pay the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers, and employees, without additional compensation, personally or by telephone, facsimile, or e-mail.

Annual Report and Other Matters

Our Transition Report on Form 10-KT for the transition period from July 1, 2009 to December 31, 2009, which was made available to shareholders with or preceding this proxy statement, contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended. The information contained in the “Audit and Compliance Committee Report” shall not be deemed “filed” with the Securities and Exchange Commission or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

We will provide, without charge, a printed copy of our transition report on Form 10-KT for the transition period from July 1, 2009 to December 31, 2009, as filed with the Securities and Exchange Commission, to each shareholder of record as of the record date that requests a copy in writing. Any such requests should be directed to our Corporate Secretary at our corporate offices set forth in this proxy statement.

ELECTION OF DIRECTORS

Our articles of incorporation and bylaws provide that our Board of Directors shall consist of not less than three nor more than nine members as the Board of Directors or our shareholders shall determine from time to time. The Board of Directors has currently fixed the number of directors at five. The term of each of our directors expires at the 2010 Annual Meeting. We have nominated all five existing directors for election at the meeting to serve until the next Annual Meeting of Shareholders or until their respective successors are duly elected and qualified. In the event any nominee is unable to serve, the proxies will be voted for a substitute nominee, if any, to be designated by our Board of Directors. The Board of Directors has no reason to believe any nominee will be unable or will decline to serve as a director.

The Board of Directors unanimously recommends a vote “for” election of the nominees named herein.

Brad R. Baldwin has served as a director of our company since October 1988. Mr. Baldwin is an attorney licensed to practice in Utah. In light of Mr. Baldwin's legal background and unique understanding of our business due to his long service on our Board, the Board has concluded that Mr. Baldwin should continue to serve as a director.

Larry R. Hendricks has served as a director of our company since June 2003. Mr. Hendricks is a Certified Public Accountant who retired in December 2002 after serving as Vice President of Finance and General Manager of Daily Foods, Inc., a national meat processing company. Mr. Hendricks has served on the boards of eight other organizations, including Tunex International, Habitat for Humanity, Daily Foods, and Skin Care International. He earned a Bachelor's Degree in Accounting from Utah State University and a Master of Business Administration Degree from the University of Utah. In light of Mr. Hendricks' background in finance and accounting and his deep understanding of our business after his service on our Board, the Board has concluded Mr. Hendricks should continue to serve as a director.

Scott M. Huntsman has served as a director of our company since June 2003. Mr. Huntsman has served as President of GlobalSim, a technology and simulation company, since February 2003, and as Chief Financial Officer from April 2002 to February 2003. In light of Mr. Bagley's prior experience as the chairman of a public company and the benefit that may accrue to our company from his leadership experience, the Board has concluded that Mr. Bagley should continue to serve as a director.

The communications will then be forwarded to the appropriate director or the entire Board. The Board suggests, but does not require, that such submissions include the name and contact information of the security holder making the submission and a description of the matter that is the subject of the communication.

CORPORATE GOVERNANCE

Information Relating to Corporate Governance and the Board of Directors

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Messrs. Baldwin, Hendricks, and Huntsman are independent directors, as “independence” is defined by the listing standards of NASDAQ, because they have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit and Compliance Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.

Our Board of Directors has adopted charters for the Audit and Compliance, Compensation and Nominating Committees describing the authority and responsibilities delegated to each committee by the Board. We post on our website at www.clearone.com the charters of our Audit and Compliance, Compensation and Nominating Committees, our Code of Ethics, and any amendments or waivers thereto and any other corporate governance materials contemplated by SEC or NASDAQ regulations. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our corporate offices set forth in this proxy statement.

Board Leadership Structure

The Board has no formal policy on whether the role of the Chairman of the Board and Chief Executive Officer should be held by separate persons. We believe it is important to maintain flexibility to have either combined offices or a separate Chairman and Chief Executive Officer structure as circumstances dictate and to make that determination based on the strategic and operational position and direction of the company and the character of the membership of the Board. The Board believes our current management structure, with Zeynep Hakimoglu serving as Chairman and Chief Executive Officer, is the optimal structure for us at this time. Ms. Hakimoglu possesses detailed and in-depth knowledge of the operational issues, opportunities and challenges facing the Company and its business, and also has a keen understanding of and ability to grasp our strategic position and opportunities. Given Ms. Hakimoglu’s particular skills and knowledge, as well as our size and stage of development, we believe Ms. Hakimoglu is best positioned to identify strategic priorities, develop agendas that the Board’s time and attention should be focused on as the most critical matters, and to lead the discussion and execution of strategy.

The Chief Executive Officer and the independent directors have different perspectives and roles in strategy development. The Chief Executive Officer brings Company-specific experience and expertise, while the Company’s independent directors bring experience, oversight, and expertise from outside the Company and its industry. The Board believes its independent directors provide effective oversight of management, and that the combined role of Chief Executive Officer and Chairman promotes the development and execution of strategy and facilitates the flow of information between management and the Board, which is essential to effective corporate governance. Given the Board’s confidence in the effectiveness of the current balance of positions and personalities, we have not appointed a lead independent director. The Board believes the combined role of Chief Executive Officer and Chairman, together with a Board whose majority of directors are independent, provides the appropriate balance between independent oversight of management and the development of strategy.

Board Role in Risk Oversight

The Board of Directors is responsible for overseeing the management of the business and affairs of the Company, but delegates day-to-day management of the Company to the Chief Executive Officer and our executive management team.

The Board of Directors is generally responsible for risk oversight, and the Audit and Compliance Committee assists the Board in fulfilling its responsibilities for general oversight of risk assessment and risk management. In addition, the other Board committees are also tasked with specific risk oversight functions pursuant to the terms of the committee charters or applicable NASDAQ rules. The Board as a whole and the various standing committees, in performing their respective risk oversight functions, have access to our company's management team and external advisors, as necessary, and receive periodic presentations and reports from management, and incidental reports as matters arise, with respect to strategic, operational, financial, legal or other risks and the plans management has to control such risks.

Committees of the Board of Directors

Audit and Compliance Committee. The Audit and Compliance Committee meets to review and discuss our accounting practices and procedures with management and independent public accountants and to review our quarterly and annual financial statements. The Audit and Compliance Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing, and reporting practices. The Audit and Compliance Committee's primary duties include reviewing the scope and adequacy of our internal accounting and financial controls; reviewing the independence of our independent registered public accounting firm; approving the scope of our independent registered public accounting firm's audit activities; approving the fees of our independent registered public accounting firm; approving any non-audit related services; reviewing the audit results; reviewing the objectivity and effectiveness of our internal audit function; and reviewing our financial reporting activities and the application of accounting standards and principles.

The members of the Audit and Compliance Committee are Scott M. Huntsman (Chairman), Brad R. Baldwin, and Larry R. Hendricks. Each member of the audit committee, in addition to being independent under the standards of NASDAQ, is independent under the standards of the Securities and Exchange Commission's rules and regulations pertaining to listed company audit committees. The Board of Directors has determined that Scott M. Huntsman is an "audit committee financial expert" in accordance with applicable rules and regulations of the SEC.

Compensation Committee. The Compensation Committee is responsible for overseeing, reviewing, and approving our executive compensation and benefit programs. The members of the Compensation Committee are Brad R. Baldwin (Chairman), Larry R. Hendricks and Scott M. Huntsman. The Compensation Committee has not adopted a written charter.

Our compensation objectives for executive officers are as follows:

- to attract and retain highly qualified individuals capable of making significant contributions to the long-term success of our company;
- to use incentive compensation to reinforce strategic performance objectives;
- to align the interest of our executives with the interests of our shareholders such that risks and rewards of strategic decisions are shared; and
- to reflect the value of each officer's position in the marketplace and within our company.

Policies and Practices Related to ClearOne's Compensation Program. We strive to create an overall compensation package for each executive officer that satisfies the aforementioned objectives, recognizing that certain elements of compensation are better suited to reflect different compensation objectives. For example, as base salaries are the only element of compensation that are fixed in amount in advance of the year in which the compensation will be earned, the Compensation Committee believes that it is most appropriate to determine base salaries with a focus on the market practices for similarly situated officers at comparable companies as adjusted to reflect the individual officer's performance during the preceding year. In contrast, cash bonuses and long-term incentives are better able to reflect our company's performance as measured by financial metrics and are well-suited to motivate officers to achieve specific performance goals that the Compensation Committee has determined are in the best interests of our company. Equity grants are also well-suited to drive long-term performance and align management's interests with those of shareholders. The Compensation Committee believes that as an officer's responsibility increases, so does his or her ability to influence the performance of our company and accordingly, the proportion of his or her compensation that consists of his or her salary and cash bonus should decrease while the proportion of equity incentives to total compensation should increase.

Comparable Companies. In making compensation decisions, including assessing the competitiveness of the total compensation structure for each named executive officer, the Compensation Committee considers compensation survey data from companies that the Compensation Committee has selected as comparable companies, namely comparable in terms of size and location. The Compensation Committee periodically reviews the companies that are included as comparable companies and makes revisions to the group as appropriate. During February 2010, the company obtained comparable compensation data from Equilar. The Compensation Committee reviewed the compensation data to ensure the company's compensation of executives is reasonable.

Equity Grant Practices. The Compensation Committee recognizes the importance of equity ownership in the alignment of shareholder and management interests. The exercise price of each stock option awarded to our executive officers under our incentive compensation programs is equal to the closing price of our common stock on the date of grant, which is the date when the Compensation Committee acts to approve equity awards for senior executives. Performance-based equity awards are also granted to our named executive officers at this time.

The Compensation Committee establishes the criteria, and directs the implementation, of all compensation program elements for the executive officers. Generally, the base salary for each named executive officer is set at the beginning of each fiscal year by our Board of Directors after review of the recommendation of the Compensation Committee. The Compensation Committee considers the Chief Executive Officer's appraisal of other executive officers' general performance and looks especially to performance against predetermined goals before making its recommendation to the Board of Directors. In the past, the Compensation Committee has authorized the Chief Executive Officer to recruit executive officers and offer initial base salaries. The Chief Executive Officer recommends for the Compensation Committee's approval the stock option grants and compensation related to achievement of non-quantitative goals under non-equity based incentive plans for other executive officers. The Compensation Committee did not employ any compensation consultants during the six-month transition period ended December 31, 2010.

Nominating Committee. The Nominating Committee is responsible for overseeing the nomination of our directors. The Nominating Committee selects, evaluates, and recommends to the full Board of Directors qualified candidates for election to the Board of Directors. The members of the Nominating Committee are Larry R. Hendricks (Chairman), Brad R. Baldwin, and Scott M. Huntsman.

The Board of Directors will consider recommendations by shareholders for director nominees if the names of those nominees and relevant biographical information are submitted in writing to our company's Secretary in the manner described for shareholder nominations below under the heading "Shareholder Proposals." The Nominating Committee identifies and evaluates nominees for our Board of Directors, including nominees recommended by shareholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our Board of Directors. Although the Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's business. All director nominations, whether submitted by a shareholder, the Nominating Committee, or the Board of Directors, will be evaluated in the same manner. The current nominees for director were recommended by the Nominating Committee and nominated by the Board of Directors, including the independent members thereof.

Board and Committee Meetings

Our Board of Directors held a total of 3 meetings during the six month transition period from July 1, 2009 to December 31, 2009. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors; and (ii) the total number of meetings held by all committees of the Board of Directors on which such director was a member. Although we currently have no formal policy with respect to the attendance of members of the Board of Directors at the Annual Meetings of Shareholders, we encourage each of our directors to attend each annual meeting of shareholders. To that end, and to the extent reasonably practicable, we regularly schedule a meeting of the Board of Directors on the same day as our annual meeting of shareholders. All members of our Board of Directors except Scott M. Huntsman attended the 2009 Annual Meeting of Shareholders. During the six-month transition period from July 1, 2009 to December 31, 2009, the Audit and Compliance Committee held 3 meetings; the Compensation Committee held 2 meetings; and the Nominating Committee held 2 meetings.

Code of Ethics

The Board of Directors adopted a code of ethics that applies to our Board of Directors, executive officers, and employees. The Company's Code of Ethics is posted on our website at www.clearone.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, as amended, requires our directors, executive officers and persons who own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership on Form 3 and reports of changes of ownership of our equity securities on Forms 4 and 5. Officers, directors, and greater than 10% shareholders are required to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the reports and amendments to reports furnished to us during the six month transition period from July 1, 2009 to December 31, 2009, and written representations that no other reports were required, we believe that each person who, at any time during such fiscal year was a director, officer, or beneficial owner of more than 10% of our common stock, complied with all Section 16(a) filing requirements during such transition period, except that Edward Dallin Bagley, a beneficial owner of more than 10% of our common stock, Narsi Narayanan, our Vice President of Finance, and E. Bryan Bagley, a director each had one late filing on Form 4 related to changes of ownership.

- (1) The amounts in the “Option Awards” column reflect the aggregate grant date fair value of awards of stock options granted pursuant to our long-term incentive plans during the periods reported above, computed in accordance with FASB ASC Topic 718, *Compensation - Stock compensation*. The assumptions made in the valuation of our option awards is disclosed in Note 11 - Share Based Payments in our Notes to Consolidated Financial Statements contained in this transition annual report on Form 10-KT.
- (2) Non-Equity Incentive Plan Compensation is based upon the achievement of pre-determined quarterly goals, namely, quantitative financial goals comprising of revenue, gross margin and operating income, and non-quantitative performance goals. While quantitative financial goals are similar for all the executive officers, non-quantitative goals vary for each officer. Examples of non-quantitative goals include introduction of a new product, identification of a new distribution opportunity, implementing internal controls, and improving product quality. The Chief Executive Officer recommends to the Compensation Committee the compensation for achievement or partial achievement of any such predetermined goal. Compensation under the non-equity incentive plan is calculated by assigning 70% weight to quantitative financial goals (with revenue, gross margin and operating income having equal share) and 30% to non-quantitative goals. Of the amounts included above, Ms. Hakimoglu’s compensation for year ended June 30, 2009 included \$15,385 for achieving financial goals and \$29,100 for achieving non-quantitative goals. Mr. LeClaire’s compensation for the year ended June 30, 2009 included \$6,119 for achieving financial goals and \$23,889 for achieving non-quantitative goals.

Mr. Bathurst's compensation for six months ended December 31, 2009 included \$12,732 for achieving non-quantitative goals and during the year ended June 30, 2009, \$5,915 for achieving financial goals and \$28,821 for achieving non-quantitative goals. Mr. Sorrentino's compensation for the year ended June 30, 2009 included \$5,438 towards achieving non-quantitative goals. Mr. Narayanan's compensation for the six months ended December 31, 2009 includes \$12,029 towards achieving non-quantitative goals.

- (3) The amounts in the "All Other Compensation" column reflect the value of our 401(k) and Employee Stock Purchase Plan, or ESPP, matching contributions, paid time off, sign-on bonus and severance payments as follows. Mr. Bathurst received the following: 401(k) matching contribution of \$3,867 during 2009 and \$4,442 during 2008. Mr. Sorrentino received \$40,000 towards a sign-on bonus.

Potential Payments Upon Termination or Change in Control

Employment Agreements. As of the end of our transition period ended December 31, 2009, none of our named executive officers were party to an employment or severance agreement with us, and each named executive officer's employment was on an "at-will" basis, permitting either us or the executive to terminate his or her employment for any reason or for no reason.

Accelerated Stock Option Vesting Upon a Change in Control. For certain option grants to executive officers and directors, in the event of a change in control, all of such optionee's unvested stock options will vest and become exercisable immediately prior to the event or closing of the transaction causing the change in control.

Under the option grants, a "Change in Control" means a change in ownership or control of the Corporation effected through either of the following transactions:

(i) the acquisition, directly or indirectly, by any person or related group of persons (other than the Corporation or a person that directly or indirectly controls, is controlled by, or is under common control with, the Corporation), of beneficial ownership (within the meaning of Rule 13d-3 of the 1934 Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Corporation's outstanding securities pursuant to a tender or exchange offer made directly to the Corporation's shareholders, which the Board does not recommend such shareholders to accept, or

(ii) a change in the composition of the Board over a period of thirty-six (36) consecutive months or less, such that a majority of the Board members ceases, by reason of one or more contested elections for Board membership, to be comprised of individuals who either (A) have been Board members continuously since the beginning of such period or (B) have been elected or nominated for election as Board members during such period by at least a majority of the Board members described in clause (A) who were still in office at the time the Board approved such election or nomination.

Except as otherwise set forth in an option grant, in the event of a change in control of our company, the Board of Directors has the sole authority to elect that the vesting of each outstanding option automatically accelerate so that each such option shall, immediately prior to the effective date of the corporate transaction, become fully exercisable for all of the shares of common stock at the time subject to such option and may be exercised for any or all of those shares as fully vested shares of common stock.

At our current stock price of about \$3.54, Narsi Narayanan and Michael Braithwaite would each benefit from any potential accelerated vesting of unvested stock options.

DIRECTOR COMPENSATION

The following table summarizes the compensation paid by us to non-employee directors for the transition period ended December 31, 2009 and the fiscal year ended June 30, 2009. Ms. Hakimoglu did not receive additional compensation for her service as a director.

- (1) The base annual director's fee for the six-month transition period ended December 31, 2009 (paid on a prorated basis) and year ended June 30, 2009 was \$24,000.
- (2) The amounts in the "Option Awards" column reflect the aggregate grant date fair value of awards of stock options granted pursuant to our long-term incentive plans during the periods reported above, computed in accordance with FASB ASC Topic 718, *Compensation - Stock compensation*. The assumptions made in the valuation of our option awards are disclosed in Note 11 - Share Based Payments in our Notes to Consolidated Financial Statements contained in this transition annual report on Form 10-KT.
- (3) E. Bryan Bagley became a director in November 2009.
- (4) As of the end of December 31, 2009, each non-employee director had outstanding options to purchase the following number of company shares of common stock: Mr. Baldwin, 150,000; Mr. Hendricks, 75,000; Mr. Huntsman, 75,000; and Mr. Bagley, 15,000.

All non-employee directors are paid a fixed fee at the rate of \$2,000 per month and receive the same option grants. The fee is not dependent on the number of meetings attended by any directors. Directors are not paid additional compensation for chairing a committee. All directors are reimbursed by us for their out-of-pocket travel and related expenses incurred in attending all Board of Directors and committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We recognize that transactions between us and any of our directors or executives can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our company and shareholders. Therefore, as a general matter and in accordance with our Code of Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of our company. Though we do not have a written policy, we intend to adopt a policy which requires our Audit and Compliance Committee to review and, if appropriate, to approve or ratify any such transactions. Pursuant to the policy, the committee will review any transaction in which we are or will be a participant and the amount involved exceeds \$120,000, and in which any of our directors or executives had, has or will have a direct or indirect material interest. After its review the committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of our company and our shareholders, as the committee determines in good faith.

Related Party Transactions.

Edward D. Bagley, former Chairman of the Board and shareholder with greater than 20% beneficial ownership in the Company, served as a consultant to our company until July 6, 2010. During the six months ended December 31, 2009 and fiscal years ended June 30, 2009 and June 30, 2008, Mr. Bagley received consulting fees of \$24,000, \$48,000 and \$48,000, respectively. Mr. Bagley was eligible to participate in our equity incentive programs and, pursuant to his consulting agreement with us, was required to be granted stock options commensurate with grants of stock options made to our directors. Additionally, in connection with the insurance coverage action described under the caption “Item 3, Legal Proceedings” of our Form 10-K for the year ended June 30, 2009, we and our counsel entered into a Joint Prosecution and Defense Agreement dated as of April 1, 2004 with Edward D. Bagley, former Chairman of the Board of Directors, and his counsel, which generally provides that we and Mr. Bagley will jointly prosecute their claims against the carriers of certain prior period directors’ and officers’ liability insurance policies and jointly defend the claims made by the insurance carriers in order to reduce litigation expenses.

On October 7, 2009, we entered into an agreement with Edward D. Bagley, wherein the Joint Prosecution and Defense Agreement was terminated and Bagley waived all his claims to settlement proceeds received from Lumbermens Mutual and National Union. We also released Mr. Bagley of any obligations for attorneys’ fees or other expenses that might have been incurred in the litigation against Lumbermens Mutual or National Union.

Mr. E. Bryan Bagley, a director of the Company, is Edward D. Bagley’s son.

Indemnification of Officers and Directors. On July 25, 2007, the U.S. Attorney’s Office for the District of Utah indicted two of our former officers, Frances Flood (“Flood”) and Susie Strohm (“Strohm”), for allegedly causing us to issue materially misstated financial statements for our 2001 and 2002 fiscal years. On January 31, 2008, the U.S. Attorney’s Office filed a Second Superseding Indictment further alleging perjury in connection with the prior investigation by the SEC into the alleged misstatements. We cooperated fully with the U.S. Attorney’s Office in this matter and were advised that we were neither a target nor a subject of the investigation or indictment. In December 2003, we entered in to indemnification agreements with each former officer, requiring payment of all reasonable attorneys’ fees and costs incurred in defending against the charges in certain circumstances consistent with and subject to limitations under applicable law. To date, we have paid approximately \$2.2 million in attorneys’ fees and costs to defend against the charges.

On August 21, 2008, Strohm and her counsel filed a lawsuit in the Third Judicial District Court in Salt Lake City, Utah seeking a declaratory judgment and injunctive relief to compel us to continue to advance Strohm’s attorneys’ fees and costs to defend against the charges, plus interest for amounts previously requested and not paid. Also on August 21, 2008, Flood filed a lawsuit in Federal District Court for the District of Utah, seeking similar relief.

The federal criminal trial of both former officers commenced on February 2, 2009, and the jury rendered its verdict on February 27, 2009. Flood was convicted on nine counts, including conspiracy to willfully falsify our books and records, willfully making false statements in quarterly and annual reports, willfully making and causing to be made misleading and false statements to our accountants in connection with the accountants’ audits, federal securities fraud, and perjury in connection with testimony given under oath in an official proceeding brought by the SEC in 2003. Strohm was convicted on one count of perjury in connection with testimony given under oath in an official proceeding brought by the SEC in 2003.

As of December 31, 2008, we had accrued \$3.3 million for legal fees and costs of our contingent liability under indemnification agreements with the two former officers indicted by the U.S. Attorney’s Office. As of March 31, 2009, we had paid approximately \$2.2 million in legal fees and costs in connection with this contingent liability. During the third fiscal quarter of 2009 and in accordance with generally accepted accounting principles, we reversed approximately \$1.1 million of this contingent liability as a result of the February 2009 jury verdict in the federal criminal trial. As a result of the jury’s conviction of the two former officers on some or all of the crimes with which they were charged and based on the Court’s instructions to the jury, it was no longer probable that we would be required to pay the \$1.1 million amount.

Flood: During January 2009, the Federal District Court in the Flood lawsuit issued a preliminary injunction requiring us (1) to pay 60% of Flood's legal fees and costs in the criminal proceeding to Flood's attorneys (as reflected in the invoices submitted by Flood's attorneys), and (2) to pay the remaining 40% of Flood's legal fees and costs into a court escrow account. Pursuant to the Court's order, we paid approximately \$368,000 to Flood's attorneys and approximately \$248,000 into the Court's escrow. The Tenth Circuit Court of Appeals issued a stay precluding distribution of the money in the Court's escrow pending the outcome of the appeal. While our appeal was pending, the District Court issued a ruling on June 16, 2009 granting Flood's motion for summary judgment on her claim that we breached her Employment Separation Agreement ("ESA") by stopping the advancement of funds for her defense, and granting our motion to dismiss Flood's unjust enrichment and promissory estoppel claims. The Court further denied our motion to dismiss Flood's claim for intentional infliction of emotional distress. On July 14, 2009, we asserted counterclaims for \$3.3 million based on the undertaking Flood signed in August 2003, in which she promised to repay all advanced expenses if it was ultimately adjudged that she did not meet the requisite standard of conduct.

On August 30, 2010, the Tenth Circuit Court of Appeals issued a ruling vacating the District Court's preliminary injunction on the grounds that ClearOne's promise to advance criminal defense expenses was conditioned upon compliance with ClearOne's bylaws and ClearOne had the power to cease advancement based on certain conditions, as long as ClearOne acted in good faith. Since the District Court had erred by reforming the ESA to make ClearOne's obligation to advance unconditional, the case was remanded to the District Court.

Strohm: During August 2009, we asserted counterclaims for \$3.2 million against Strohm based on the undertakings she signed in 2003, in which she promised to repay all advanced expenses if it was ultimately adjudged that she did not meet the requisite standard of conduct. On October 26, 2009, the Court granted Strohm's motion for mandatory indemnification, ruling that we were required to indemnify Strohm for her reasonable attorneys' fees and expenses to the extent that she was successful on the merits at trial on the basis that our Articles of Incorporation did not limit indemnification of a director or officer. The Court also denied our cross-motion for summary judgment based on the undertakings, ruling that Strohm should not be required to pay back advanced legal fees and costs to the extent she was successful at trial.

On November 5, 2009, Strohm's counsel filed a motion claiming that, pursuant to an engagement letter with Strohm's counsel, we are obligated to pay Strohm's attorneys' fees and costs incurred in defending the federal criminal proceeding, plus 18% interest, as well as attorneys' fees and costs incurred in connection with the action brought by Strohm and her counsel against ClearOne in August 2008. On March 2, 2010, the Court ruled that the engagement letter provided an alternative basis requiring the Company to pay Strohm's reasonable attorneys' fees and costs incurred in connection with the federal criminal proceedings, and to enforce the engagement letter. The Court reserved the issue of whether Strohm's fees and costs should be allocated to account for the single count on which she was convicted at trial, and reserved the determination of reasonableness of Strohm's fees and costs. The Court also made it clear that the Company is only responsible to pay Strohm's attorneys' fees and costs to the extent that those fees and costs are reasonable under all of the relevant circumstances.

On June 30, 2010, Strohm's counsel filed its petition for attorneys' fees and costs seeking over \$3.0 million in addition to the \$1.4 million that ClearOne has already paid to Strohm's counsel in connection with her federal criminal defense. ClearOne submitted opposition papers on August 16, 2010 and September 13, 2010 arguing that Strohm's counsel had been paid all reasonable fees and that ClearOne effectively terminated any obligation to Strohm's counsel on November 30, 2009. The Third Judicial District Court in Salt Lake City held hearings in connection with Strohm's counsel's fee petition and ClearOne's cross-motion on September 20 and 23, 2010 and a decision is pending.

Pre-Approval Policies and Procedures

The Audit and Compliance Committee ensures that we engage our independent registered public accounting firm to provide only audit and non-audit services that are compatible with maintaining the independence of our public accountants. The Audit and Compliance Committee approves or pre-approves all services provided by our public accountants. Permitted services include audit and audit-related services, tax and other non-audit related services. Certain services are identified as restricted. Restricted services are those services that may not be provided by our external public accountants, whether identified in statute or determined to be incompatible with the role of an independent auditor. All fees identified in the preceding table were approved by the Audit and Compliance Committee. During 2009, the Audit and Compliance Committee reviewed all non-audit services provided by our independent registered public accounting firm, and concluded that the provision of such non-audit services was compatible with maintaining the independence of the external public accountants.
