All ClearOne Cameras Now Zoom™ Certified With the Addition of the UNITE® 200 to the Lineup

March 2, 2020

The UNITE 200 PTZ professional conferencing camera brings simple, flexible, and affordable connectivity options with USB, IP, and HDMI; now with Certification from Zoom Video Communications, Inc.

SALT LAKE CITY, March 02, 2020 (GLOBE NEWSWIRE) -- To further bolster its lineup of professional conferencing cameras, ClearOne (NASDAQ:CLRO), announces its third Zoom Certification, now for the UNITE 200 PTZ, its top-of-the-line model.

The UNITE 200 PTZ professional conferencing camera is optimized for a wide range of applications and environments requiring professional-quality visual collaboration at a very affordable price.

The versatile line of UNITE professional-grade cameras is optimized for a wide range of applications and environments; designed for professional-quality visual collaboration, UC applications, network streaming, and more.

The UNITE 200 provides four simple and flexible network connectivity options, supporting USB 2.0, USB 3.0, IP, and HDMI at a very affordable price. With full 1080p60 resolution, PTZ functions, and 12x optical zoom with a 72.5° field of view and a ±170-degree horizontal range, the UNITE 200 fully meets the needs of diverse video camera applications.

The Zoom-Certified UNITE 200 PTZ is available for a very affordable $1,849 US MSRP.
