## ClearOne Announces Breakthrough Pricing for the VoIP MAX(R) IP Product Line

### The VoIP MAX IP pricing is now identical to the analog MAX EX pricing.

SALT LAKE CITY, April 1 /PRNewswire-FirstCall/ -- ClearOne (<http://www.clearone.com>) (Nasdaq: CLRO), the leading global provider of high performance audio conferencing solutions announced new pricing, giving its VoIP conference phones identical pricing to its analog PSTN conference phones.

"Enterprises can now make an easy choice whether to deploy VoIP or analog PSTN without the need for an ROI calculation," said Dave Petricig, Vice President of Telephony Sales, North America. "With ClearOne, the price is the same. Now all VoIP customers can experience the same rich VoIP quality audio in their conference rooms as they do on their VoIP handsets."

Effective March 27, 2010, the pricing for the ClearOne [MAX IP](#), ClearOne's award winning SIP conference phone is now \$499, identical to ClearOne's MAX EX. For larger conference rooms, ClearOne's unique daisy-chaining MAXAttach IP is now priced at \$799, identical to the ClearOne MAXAttach EX. ClearOne continues to offer the best value in VoIP audio conferencing today.
