ClearOne Completes Acquisition of VCON Video Conferencing

SALT LAKE CITY, Feb. 22, 2012 /PRNewswire/ -- ClearOne (NASDAQ: CLRO) today announced it has completed the acquisition of Israel-based VCON Video Conferencing, a leader in high-performance, end-to-end, software video conferencing solutions.

"With the VCON acquisition now closed, we will work to extend ClearOne's leadership in the enterprise marketplace to video conferencing and collaboration," said Zee Hakimoglu, Chairman and CEO of ClearOne. "As a single organization, we will seamlessly deliver VCON's full HD video conferencing technology and ClearOne's legacy crystal-clear audio for a variety of enterprise applications. These include feature-rich room systems and desktop video applications to enhanced infrastructure and network management solutions."
