## INTRODUCTION

This Amendment No. 1 (this “Amendment”) amends the Schedule TO originally filed with the Securities and Exchange Commission on August 18, 2008, by ClearOne Communications, Inc., (the “Company”), relating to the offer by the Company to purchase up to 2,000,000 shares of its common stock, par value \$0.001 per share, at a price not greater than \$5.00 nor less than \$4.00 per share, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase dated August 18, 2008 (the “Offer to Purchase”), and in the Letter of Transmittal (the “Letter of Transmittal”) (which, together with any supplements and amendments thereto, collectively constitute the “Tender Offer”).

The information in the Tender Offer, including all schedules thereto, which was previously filed with the Schedule TO, is hereby expressly incorporated by reference into this Amendment, except that such information is hereby amended to the extent specifically provided herein.

The Offer to Purchase is hereby amended as follows:

- (1) In Section 1 of the Offer to Purchase the third paragraph will be replaced with:

We will pay the Purchase Price for all Shares validly tendered prior to the Expiration Date, upon the terms and subject to the conditions of the Tender Offer, the procedure pursuant to which Shares will be accepted for payment and the proration provisions. All Shares tendered and not purchased pursuant to the Tender Offer, including Shares not purchased because of proration, will be promptly returned to the tendering shareholders following the Expiration Date at the Company’s expense. We reserve the right, in our sole discretion, to purchase more than 2,000,000 Shares pursuant to the Tender Offer. See Section 14.

- (2) Section 8 of the Offer to Purchase will be replaced with the following:

In the event the maximum of 2,000,000 shares are tendered in the Tender Offer at the maximum purchase price of \$5.00 per share, the aggregate purchase price will be approximately \$10 million. We anticipate that we will pay for a majority of the shares tendered in the Tender Offer, as well as paying related fees and expenses, from our cash and investments. We may also use all or a portion of a margin loan established with UBS Financial Services, Inc. to pay for shares tendered, however, we will only need such proceeds in the event the Tender Offer is fully subscribed. If drawn upon, the loan with UBS will be a \$3,870,000 demand margin loan, which will bear interest at a rate based on the 30-day LIBOR rate plus 25 basis points. The interest rate will be subject to change at any time in the sole discretion of UBS. To secure our obligations under the loan with UBS, we have pledged our auction rate securities as collateral. We will pay monthly interest payments to UBS, however, no interest payments will be due if a minimum equity ratio (as determined by UBS) is maintained in our collateral accounts. If the value of the auction rate securities declines below the minimum equity ratio determined by UBS, we may be required to pledge additional collateral as security for the loan, sell the auction rate securities, or otherwise repay the outstanding principal balance. The UBS loan will be due on demand.

- (3) Item 12 of the Schedule TO is hereby amended by adding the following exhibits:

(b) (A) Margin Loan Agreement, dated September 10, 2008, between ClearOne Communications, Inc. and UBS Financial Services, Inc. (4)
