## ClearOne to Present at The Classic Financial Conference

### Presented by TechAmerica and NASDAQ OMX

SALT LAKE CITY, Oct. 31, 2011 /PRNewswire/ -- ClearOne Communications, Inc. (NASDAQ: CLRO), a global communications and entertainment solutions company, today announced it will be presenting at the 41st Annual *The Classic* Financial Conference, the premier technology matchmaking event in the U.S.

Date: Nov 8, 2011  
Location: Manchester Grand Hyatt – San Diego, CA  
Presenter: Zee Hakimoglu, President and CEO

*The Classic* serves as a financial catalyst for growth and innovation, enabling today's leading tech companies to tap into capital, bolster investor interest, and strengthen shareholder value by bringing together growing public technology companies and technology focused investors.

### About ClearOne

ClearOne is a global communications solutions company that develops and sells conferencing, collaboration, multi-media streaming and connectivity systems for audio, video and web applications. The reliability, flexibility and performance of our advanced comprehensive solutions enhance the quality of life through better communication, education and entertainment.

We develop, manufacture, market and service a comprehensive line of high-quality audio conferencing products under personal, tabletop, premium and professional categories. We occupy the number one position in the global professional audio conferencing market with nearly 50% of the global market share. Our conferencing solutions save organizations time and money by creating a natural environment for collaboration.

NetStreams, a ClearOne brand of residential products, delivers the ultimate IP A/V experience by distributing high definition audio and video over TCP/IP networks. NetStreams' products, designed for commercial and residential use, offer unprecedented levels of performance, functionality, simplicity, reliability and expandability. By combining audio/video content, meta-data and control signals into one stream and incorporating industry standards, NetStreams' newly patented StreamNet™ solutions are a smart investment, enabling the Power of AV over IP™ today.

NetStreams' StreamNet technology provides elegant solutions for streaming media & control applications such as digital signage, distribution of HD video and audio, LAN Cloud Matrix Switching™ and audio paging over data networks.
