## **ClearOne Awarded International Compliance for Converge Pro**

### **Compliance received from Mexico and South Korea for the entire family of Converge Pro professional audio conferencing products**

SALT LAKE CITY, Nov. 24 -- ClearOne Communications, Inc. (Nasdaq: CLRO) the leading global provider of high performance audio conferencing solutions, is proud to announce that they have received country compliance for the Converge Pro family of products in the countries of Mexico and South Korea. This allows ClearOne to expand its distribution of the popular Converge Pro products into these important markets. The Converge Pro series of professional installed conferencing products brings leading edge audio technology to large scale venues such as boardrooms, conference centers, auditoriums, courtrooms, and distance learning classrooms. The product family includes the Converge Pro 880T, 880, 840T, TH20, 8i and the Converge SR 1212, all of which deliver flexibility, expandability and the highest performance available in audio conferencing equipment.
