2021 Proxy Statement

This proxy statement is solicited by and on behalf of the Board of Directors of ClearOne, Inc., a Delaware corporation (hereinafter referred to as the “Company,” “ClearOne,” “we,” “us” or “our”), for use at the Annual Meeting of Shareholders (the “Annual Meeting”), to be held on August 20, 2021 at 5225 Wiley Post Way, Suite 500, Salt Lake City, UT 84116, at 9:30 A.M. local time, or at any continuations thereof.

These proxy solicitation materials will be distributed on or about July 23, 2021 to all shareholders entitled to vote at the meeting.

QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING

What is the purpose of this Proxy Statement and accompanying Proxy?

A Proxy Statement is a document that the regulations of the Securities and Exchange Commission (“SEC”) require us to give you when we ask you to sign a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the stock you own and are entitled to vote. That other person is called a proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers with full power of substitution as proxies for the Annual Meeting. These officers are Zeynep Hakimoglu and Narsi Narayanan.

The Board of Directors is soliciting your proxy to give all shareholders of record the opportunity to vote on matters that will be presented at the Annual Meeting. This Proxy Statement provides you with information on these matters to assist you in voting your shares.

What is the purpose of the Annual Meeting?

The purpose of the Annual Meeting is to: (i) elect five directors and (ii) to transact any such other business that properly comes before the Annual Meeting (each a “Proposal,” and collectively, the “Proposals”). Although the Board of Directors does not anticipate that any other issues will come before the Annual Meeting, your completed and executed proxy gives the official proxies the right to vote your shares that you are entitled to vote in their discretion on any other matter properly brought before the Annual Meeting.

What is the record date for voting at the Annual Meeting?

The record date for purposes of determining the number of outstanding shares of our common stock eligible to vote at the Annual Meeting, and for determining the shareholders entitled to vote at the Annual Meeting, is the close of business on June 22, 2021 (the “Record Date”). As of the Record Date, 18,775,773 shares of common stock were issued and outstanding. No other series of stock is outstanding. Holders of the shares of common stock have no preemptive rights. The transfer agent for the common stock is:

Colonial Stock Transfer Company, Inc.
66 Exchange Place, Suite 100
Salt Lake City, UT 84111
Phone: 801-355-5740
Fax: 801-355-6505

What is the quorum requirement for the Annual Meeting?

A quorum must be present at the meeting in order for the shareholders to take official action. Under Delaware law and our Certificate of Incorporation and Bylaws, a quorum will exist if a majority of the total number of shares entitled to vote are present, in person or by proxy.

What is a broker non-vote and how is it counted?

Under applicable rules, brokers are permitted to vote their customers' stock held in street name on routine matters when the brokers have not received voting instructions from their customers. However, brokers are not allowed to vote their customers' stock held in street name on non-routine matters unless they have received voting instructions from their customers. In such cases, the uninstructed shares for which the broker is unable to vote are called broker non-votes.

What routine matters will be voted on at the Annual Meeting?

There are no routine matters on which brokers may vote in their discretion on behalf of customers who have not provided voting instructions.

What non-routine matters will be voted on at the Annual Meeting?

The election of directors is a non-routine matter on which brokers are not allowed to vote unless they have received voting instructions from their customers. Your broker will not be allowed to vote your shares on any non-routine matters without your specific instructions. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

How many votes are needed to approve each Proposal?

On all matters, except as otherwise provided by Delaware law, each holder of common stock will be entitled to one vote for each share of common stock held on the Record Date. Assuming that a quorum is present, the votes needed to approve each Proposal are set forth below.

Proposal one: In the election of directors, shareholders will not be allowed to cumulate their votes. The election of directors will be determined by plurality vote.

Abstentions and broker non-votes will not affect the outcome of the election of directors.

Other Matters: Any other matter properly presented for approval by the shareholders at the Annual Meeting will generally be approved if the number of votes cast in favor of such matter exceeds the number of votes cast in opposition. With respect to any such matter, abstentions and broker non-votes are not likely to affect the outcome of a vote on such matter. We are not currently aware of any other matters to be presented at the Annual Meeting.

What are the Board of Director's recommendations on the Proposals?

The Board of Directors recommends that shareholders cast their votes on the Proposals as follows:

- "FOR" all director nominees listed in the proxy statement.

What is the difference between a “shareholder of record” and a “street name” holder?

These terms describe how your shares are held. If your shares are registered directly in your name with Colonial, our transfer agent, you are a “shareholder of record.” If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a “street name” holder.

Will I get more than one copy of the proxy statement, annual report or Notice of Internet Availability if there are multiple shareholders at my address?

In some cases, only one copy of this proxy statement, annual report or Notice of Internet Availability is being delivered to multiple shareholders sharing an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly, upon a written or oral request, a separate copy of this proxy statement, annual report or Notice of Internet Availability to a shareholder at a shared address to which a single copy of the document was delivered. Shareholders sharing an address may also submit requests for delivery of a single copy of the proxy statement, annual report or Notice of Internet Availability, but in such event will still receive separate proxies for each account. To request separate or single delivery of these materials now or in the future, a shareholder may submit a written request to the Corporate Secretary, ClearOne, Inc., 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116 or a shareholder may make a request by calling the Corporate Secretary at (801) 975-7200, or by contacting our transfer agent, Colonial Stock Transfer Company, Inc. 66 Exchange Place, Suite 100, Salt Lake City, UT 84111 or calling (801) 355-5740.

How do I vote?

If your shares of common stock are held in street name by a broker, bank or other nominee, you will receive information from your nominee as to how to instruct them to vote your shares of common stock for each of the Proposals discussed in this proxy statement.

If you are a shareholder of record and hold common stock in your own name, you may give instructions on how to vote your shares of common stock by following the instructions on the proxy card or Notice of Internet Availability on how to vote over the Internet, by phone, or by mail by completing, signing, dating and returning the proxy card.

By completing and submitting the proxy (whether over the internet, by telephone, or by signing, dating and mailing the accompanying proxy card), the shareholder authorizes Zeynep Hakimoglu, Chairman and Chief Executive Officer, and Narsi Narayanan, Corporate Secretary, as designated on the face of the proxy, to vote all shares for the shareholder. All proxies that are properly completed and submitted will be voted as the shareholder directs. If no direction is given, executed proxies will be voted FOR each proposal set forth in this proxy statement. Votes will be tabulated by Colonial.

How do I revoke my proxy?

You may revoke your proxy before the vote is taken at the Annual Meeting by:

- completing, signing and submitting a new proxy with a later date;
- attending the Annual Meeting and voting in person; or
- filing a signed, written notice of revocation with the Corporate Secretary of the Company.

Your attendance at the Annual Meeting will not automatically revoke your proxy.

If the common stock you own is held on your behalf by a broker, bank or other nominee, you must contact the nominee to receive instructions as to how you can revoke your proxy.

You may obtain an additional proxy card by writing to Corporate Secretary, ClearOne, Inc., 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116.

Where can I find the voting results of the Annual Meeting?

We will announce the preliminary voting results at the Annual Meeting and disclose the final voting results in a current report on Form 8-K filed with the SEC within four (4) business days of the date of the Annual Meeting, unless only preliminary voting results are available at that time. To the extent necessary, we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known. You may access or obtain a copy of these and our other reports filed with the SEC free of charge on our web site at <http://www.clearone.com>. Also, such Form 8-K, any amendments thereto and other reports we file with the SEC are available to you over the Internet at the SEC's web site at <http://www.sec.gov>.

How can I view the shareholder list?

A complete list of shareholders of record entitled to vote at the Annual Meeting will be available for viewing during ordinary business hours for a period of ten (10) days before the Annual Meeting at our offices located at 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116.

Who pays for the proxy solicitation related to the Annual Meeting?

We will bear the costs of the solicitation. The solicitation of proxies by the Board of Directors will be conducted primarily by mail and through the Internet. Additionally, our officers, directors and employees may solicit proxies personally or by telephone, email or other forms of wire or facsimile communication. These officers, directors and employees will not receive any extra compensation for these services. We may reimburse brokers, custodians, nominees and fiduciaries for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of our common stock as of the record date.

How can I obtain a copy of the Annual Report?

We will provide, without charge, a printed copy of our 2020 Annual Report on Form 10-K, as filed with the Securities and Exchange Commission, to each shareholder of record as of the record date that requests a copy in writing. Any such requests should be directed to our Corporate Secretary at our corporate offices set forth in this proxy statement.

You may also access or obtain a copy of our 2020 Annual Report on Form 10-K and other reports filed with the SEC free of charge on our web site at <http://www.clearone.com>, or at the SEC's web site at <http://www.sec.gov>. The 2020 Annual Report contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The information contained in the "Audit and Compliance Committee Report" shall not be deemed "filed" with the Securities and Exchange Commission or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

PROPOSAL ONE

In the event any nominee is unable to serve, the proxies will be voted for a substitute nominee, if any, to be designated by our Board of Directors. The Board of Directors has no reason to believe any nominee will be unable or will decline to serve as a director.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" ELECTION OF THE DIRECTOR NOMINEES NAMED HEREIN.

CORPORATE GOVERNANCE

Information Relating to Corporate Governance and the Board of Directors

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Messrs. Hendricks, Robinson and Whaley are independent directors, as "independence" is defined by the listing standards of NASDAQ. This determination was made because Messrs. Hendricks, Robinson and Whaley have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit and Compliance Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.

Our Board of Directors has adopted charters for the Audit and Compliance, Compensation and Nominating Committees describing the authority and responsibilities delegated to each committee by the Board. We post on our website at www.clearone.com the charters of our Audit and Compliance, Compensation and Nominating Committees, our Code of Ethics, and any amendments or waivers thereto and any other corporate governance materials contemplated by SEC or NASDAQ regulations. These documents are also available in print to any shareholder requesting a copy in writing from our Corporate Secretary at our corporate offices located at the address set forth in this proxy statement.

Board Leadership Structure

The Board has no formal policy on whether the role of the Chairman of the Board and Chief Executive Officer should be held by separate persons. We believe it is important to maintain flexibility to have either combined offices or a separate Chairman and Chief Executive Officer structure as circumstances dictate and to make that determination based on the strategic and operational position and direction of the company and the character of the membership of the Board. The Board believes our current management structure, with Zeynep Hakimoglu serving as Chairman and Chief Executive Officer, is the optimal structure for us at this time. Ms. Hakimoglu possesses detailed and in-depth knowledge of the operational issues, opportunities and challenges facing the Company and its business, and also has a keen understanding of and ability to grasp our strategic position and opportunities. Given Ms. Hakimoglu's particular skills and knowledge, as well as our size and stage of development, we believe Ms. Hakimoglu is best positioned to identify strategic priorities, develop agendas that the Board's time and attention should be focused on as the most critical matters, and to lead the discussion and execution of strategy.

The Chief Executive Officer and the independent directors have different perspectives and roles in strategy development. The Chief Executive Officer brings Company-specific experience and expertise, while the Company's independent directors bring experience, oversight, and expertise from outside the Company and its industry. The Board believes its independent directors provide effective oversight of management, and that the combined role of Chief Executive Officer and Chairman promotes the development and execution of strategy and facilitates the flow of information between management and the Board, which is essential to effective corporate governance. The Board believes the combined role of Chief Executive Officer and Chairman, together with a Board whose majority of directors are independent, provides the appropriate balance between independent oversight of management and the development of strategy.

Board Role in Risk Oversight

The Board of Directors is responsible for overseeing the management of the business and affairs of the Company, but delegates day-to-day management of the Company to the Chief Executive Officer and our executive management team. The Board of Directors is generally responsible for risk oversight, and the Audit and Compliance Committee assists the Board in fulfilling its responsibilities for general oversight of risk assessment and risk management. In addition, the other Board committees are also tasked with specific risk oversight functions pursuant to the terms of the committee charters or applicable NASDAQ rules. The Board as a whole and the various standing committees, in performing their respective risk oversight functions, have access to our company's management team and external advisors, as necessary, and receive periodic presentations and reports from management, and incidental reports as matters arise with respect to strategic, operational, financial, legal or other risks and the plans management has to control such risks.

Committees of the Board of Directors

Audit and Compliance Committee. The Audit and Compliance Committee meets to review and discuss our accounting practices and procedures with management and independent public accountants and to review our quarterly and annual financial statements. The Audit and Compliance Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing, and reporting practices. The Audit and Compliance Committee's primary duties include reviewing the scope and adequacy of our internal accounting and financial controls; reviewing the independence of our independent registered public accounting firm; approving the scope of our independent registered public accounting firm's audit activities; approving the fees of our independent registered public accounting firm; approving any non-audit related services; reviewing the audit results; reviewing the objectivity and effectiveness of our internal audit function; and reviewing our financial reporting activities and the application of accounting standards and principles.

The members of the Audit and Compliance Committee are Eric L. Robinson (Chairman), Larry R. Hendricks and Bruce Whaley. Each member of the audit committee, in addition to being independent under the standards of NASDAQ, is independent under the standards of the Securities and Exchange Commission's rules and regulations pertaining to listed company audit committees. The Board of Directors has determined that Eric L. Robinson is an "audit committee financial expert" in accordance with applicable rules and regulations of the SEC.

Compensation Committee. The Compensation Committee is responsible for overseeing, reviewing, and approving our executive compensation and benefit programs and administers the Company's equity incentive plans for employees. Under its charter, the Compensation Committee may delegate authority to subcommittees of the Compensation Committee or to executive officers of the Company, particularly the President and CEO with respect to compensation determinations for persons who are not executive officers of the Company. The members of the Compensation Committee are Bruce Whaley (Chairman), Larry R. Hendricks and Eric L. Robinson.

Our compensation objectives for executive officers are as follows:

- to attract and retain highly qualified individuals capable of making significant contributions to the long-term success of our company;
- to use incentive compensation to reinforce strategic performance objectives;
- to align the interest of our executives with the interests of our shareholders such that the risks and rewards of strategic decisions are shared; and
- to reflect the value of each officer's position in the marketplace and within our company.

Policies and Practices Related to ClearOne's Compensation Program. We strive to create an overall compensation package for each executive officer that satisfies the aforementioned objectives, recognizing that certain elements of compensation are better suited to reflect different compensation objectives. For example, as base salaries are the only element of compensation that are fixed in amount in advance of the year in which the compensation will be earned, the Compensation Committee believes that it is most appropriate to determine base salaries with a focus on the market practices for similarly situated officers at comparable companies as adjusted to reflect the individual officer's performance during the preceding year. In contrast, cash bonuses and long-term incentives are better able to reflect our company's performance as measured by financial metrics and are well-suited to motivate officers to achieve specific performance goals that the Compensation Committee has determined are in the best interests of our company. Equity grants are also well-suited to drive long-term performance and align management's interests with those of shareholders. The Compensation Committee believes that as an officer's responsibility increases, so does his or her ability to influence the performance of our company and accordingly, the proportion of his or her compensation that consists of his or her salary and cash bonus should decrease while the proportion of equity incentives to total compensation should increase.

Comparable Companies. In making compensation decisions, including assessing the competitiveness of the total compensation structure for each named executive officer, the Compensation Committee considers compensation survey data from companies that the Compensation Committee has selected as comparable in terms of industry, size and location. The Compensation Committee periodically reviews the companies that are included as comparable companies and makes revisions to the group as appropriate. The Compensation Committee also reviews executive compensation information for several Utah based publicly-traded companies having revenues similar to those of the Company. The Compensation Committee has reviewed this compensation data to ensure the company's compensation of our executives is reasonable.

Equity Grant Practices. The Compensation Committee recognizes the importance of equity ownership in the alignment of shareholder and management interests. The exercise price of each stock option awarded to our executive officers under our incentive compensation programs is equal to the closing price of our common stock on the date of grant, which is the date when the Compensation Committee acts to approve equity awards for senior executives. Performance-based equity awards are also granted to our named executive officers at this time.

The Compensation Committee establishes the criteria, and directs the implementation, of all compensation program elements for the executive officers. Generally, the base salary for each named executive officer is set at the beginning of each fiscal year by our Board of Directors after review of the recommendation of the Compensation Committee. The Compensation Committee considers the Chief Executive Officer's appraisal of other executive officers' general performance and looks especially to performance against predetermined goals before making its recommendation to the Board of Directors. In the past, the Compensation Committee has authorized the Chief Executive Officer to recruit executive officers and offer initial base salaries. The Chief Executive Officer recommends for the Compensation Committee's approval the stock option grants and compensation related to achievement of non-quantitative goals under non-equity-based incentive plans for other executive officers. The Compensation Committee did not employ any compensation consultants during the year ended December 31, 2019.

Nominating Committee. The Nominating Committee is responsible for overseeing the nomination of our directors. The Nominating Committee selects, evaluates, and recommends to the full Board of Directors qualified candidates for election to the Board of Directors. The members of the Nominating Committee are Larry R. Hendricks (Chairman), Eric L. Robinson, and Bruce Whaley.

The Board of Directors will consider recommendations by shareholders for director nominees if the names of those nominees and relevant biographical information are submitted in writing to our company's Secretary in the manner described for shareholder nominations below under the heading "Shareholder Proposals." The Nominating Committee identifies and evaluates nominees for our Board of Directors, including nominees recommended by shareholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our Board of Directors. Although the Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's business. All director nominations, whether submitted by a shareholder, the Nominating Committee, or the Board of Directors, will be evaluated in the same manner. All of the current nominees for director were recommended by the Nominating Committee and nominated by the Board of Directors. All director nominees have consented to serve as directors, if elected, until the next Annual Meeting of Shareholders or until their successors are elected and qualified and have consented to be named as nominees.

Board and Committee Meetings

Our Board of Directors held a total of eight meetings in 2020. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors; and (ii) the total number of meetings held by all committees of the Board of Directors on which such director was a member. Although we currently have no formal policy with respect to the attendance of members of the Board of Directors at the Annual Meetings of Shareholders, we encourage each of our directors to attend each annual meeting of shareholders. To that end, and to the extent reasonably practicable, we regularly schedule a meeting of the Board of Directors on the same day as our annual meeting of shareholders. All members of our current Board of Directors attended the 2020 Annual Meeting of Shareholders.

In 2020, the Audit and Compliance Committee held six meetings, the Compensation Committee held one meeting, and the Nominating Committee held one meeting.

Code of Ethics

The Board of Directors adopted a code of ethics that applies to our Board of Directors, executive officers, and employees. The Company's Code of Ethics is posted on our website at www.clearone.com.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act, as amended, requires our directors, executive officers and persons who own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership on Form 3 and reports of changes of ownership of our equity securities on Forms 4 and 5. Officers, directors, and greater than 10% shareholders are required to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the reports and amendments to reports furnished to us for the year ended December 31, 2020, we believe that each person who, at any time during such fiscal year was a director, officer, or beneficial owner of more than 10% of our common stock complied with all Section 16(a) filing requirements during such period, except for the following: Bruce Whaley, a director, filed one Form 4 late for one transaction and Edward D. Bagley, a greater than 10% shareholder filed one Form 4 late for three transactions.

Name	Number of Options Granted	Option Exercise Price (\$)	Option Grant Date	Option Expiration Date
Zeynep Hakimoglu	50,000	2.50	12-14-2020	12-14-2026
Narsi Narayanan	25,000	2.50	12-14-2020	12-14-2026

OPTION EXERCISES AND STOCK VESTED

There were no exercises of stock options by named executive officers during 2020. There were no equity awards that vested for the named executive officers during 2020.

Potential Payments Upon Termination or Change in Control

Employment Agreements. As of the year ended December 31, 2020, none of our named executive officers was party to an employment or severance agreement with us, and each named executive officer's employment was on an "at-will" basis, permitting either us or the executive to terminate his or her employment for any reason or for no reason.

Accelerated Stock Option Vesting Upon a Change in Control. For certain option grants to executive officers and directors, in the event of a change in control, all of such optionee's unvested stock options will vest and become exercisable immediately prior to the event or the closing of the transaction causing the change in control.

Under the option grants, a “Change in Control” means a change in ownership or control of the Company effected through either of the following transactions:

(i) the acquisition, directly or indirectly, by any person or related group of persons (other than the Company or a person that directly or indirectly controls, is controlled by, or is under common control with, the Company), of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Company’s outstanding securities pursuant to a tender or exchange offer made directly to the Company’s shareholders, or

(ii) a change in the composition of the Board over a period of thirty-six (36) consecutive months or less, such that a majority of the Board members ceases, by reason of one or more contested elections for Board membership, to be comprised of individuals who either (A) have been Board members continuously since the beginning of such period or (B) have been elected or nominated for election as Board members during such period by at least a majority of the Board members described in clause (A) who were still in office at the time the Board approved such election or nomination.

Except as otherwise set forth in an option grant, in the event of a change in control of our company, the Board of Directors has the sole authority to elect that the vesting of each outstanding option automatically accelerate so that each such option shall, immediately prior to the effective date of the corporate transaction, become fully exercisable for all of the shares of common stock at the time subject to such option and may be exercised for any or all of those shares as fully vested shares of common stock.

At our current stock price of about \$2.65, all our named executive officers would benefit from any potential accelerated vesting of unvested stock options.

DIRECTOR COMPENSATION

The following table summarizes the compensation paid by us to non-employee directors for the year ended December 31, 2020. Ms. Hakimoglu did not receive additional compensation for her service as a director.

Name	Fees Earned or Paid in		Other		Total
	Cash	Option Awards	Compensation		
Larry R. Hendricks	33,600	—	—	—	33,600
Lisa B. Higley	11,250	—	—	—	11,250
Eric L. Robinson	40,800	—	—	—	40,800
Bruce Whaley	33,600	—	—	—	33,600

Historically, the Company’s non-employee directors have received an annual grant of stock options to purchase 10,000 shares of the Company’s common stock, of which one-third of the shares vest on the first anniversary of the grant date, and the remaining vest in equal monthly increments over the subsequent 24-month period. However, the Board decided to terminate the annual stock option award to non-employee directors in 2018, and consequently, no such grants were made in 2020. All directors are reimbursed by the Company for their out-of-pocket travel and related expenses, if any, incurred in attending all Board of Directors and committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

We recognize that transactions between us and any of our directors, executives or other related persons can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our company and shareholders. Therefore, as a general matter and in accordance with our Code of Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of our company. Under the terms of its charter, our Audit and Compliance Committee reviews and, if appropriate, approves or ratifies any such transactions. Pursuant to the charter, the Committee will review any transaction in which we are or will be a participant and the amount involved exceeds \$120,000, and in which any of our directors or executives had, has or will have a direct or indirect material interest. After its review, the Committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of our company and our shareholders, as the Committee determines in good faith. The Company’s Board of Directors adopted the Company’s Related Party Transactions Policy on January 18, 2017. This policy is available in our website at <http://investors.clearone.com/governance.cfm>.

Related Party Transactions: Consulting Agreement with Edward D. Bagley

On June 3, 2015, the Company entered into a Consulting Agreement with Edward D. Bagley, former Chairman of the Board and greater than 10% shareholder (“Consulting Agreement”) which became effective on July 29, 2015 for an initial term of three years which was renewed in 2018 for an additional term of three years through 2021 and renewed again in 2021 for an additional term of 3 years through 2024. Pursuant to the terms of the Consulting Agreement Mr. Bagley is paid a fee of \$5,000 per month and is eligible to participate in our equity incentive programs and will be granted stock options commensurate with grants of stock options made to our directors. During 2020, he was paid \$60,000 as consulting fees but was not awarded any stock options.

Director Independence

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Larry Hendricks, Eric Robinson and Bruce Whaley are independent directors, in accordance with the definition of “independence” under the listing standards of NASDAQ, because they have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit and Compliance Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.
