2022 Proxy Statement

This proxy statement is solicited by and on behalf of the Board of Directors of ClearOne, Inc., a Delaware corporation (hereinafter referred to as the "Company," "ClearOne," "we," "us" or "our"), for use at the Annual Meeting of Shareholders (the "Annual Meeting"), to be held on November 16, 2022 at 5225 Wiley Post Way, Suite 500, Salt Lake City, UT 84116, at 9:30 A.M. local time, or at any continuations thereof.

The Notice of Internet Availability of Proxy Materials will be distributed on or about October 7, 2022 to all shareholders entitled to vote at the meeting.

QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING

How is ClearOne distributing the proxy materials?

This Proxy Statement, the proxy card and the Company's Annual Report for the fiscal year ended December 31, 2021 (the "2021 Annual Report") are available online at www.colonialstock.com/clro2022. Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are first sending a Notice of Internet Availability of Proxy Materials to our stockholders on or about October 7, 2022. All stockholders will have the ability to access our proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials (www.colonialstock.com/clro2022) or to request to receive a printed set of our proxy materials. Instructions on how to access our proxy materials over the Internet or request a printed copy of our proxy materials may be found in the Notice of Internet Availability of Proxy Materials. In addition, stockholders may request to receive proxy materials in printed form or by email on an ongoing basis by calling 1-877-285-8605.

What is the purpose of this Proxy Statement and accompanying Proxy?

A Proxy Statement is a document that the regulations of the Securities and Exchange Commission ("SEC") require us to give you when we ask you to sign a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the stock you own and are entitled to vote. That other person is called a proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers with full power of substitution as proxies for the Annual Meeting. These officers are Derek L. Graham and Narsi Narayanan.

The Board of Directors is soliciting your proxy to give all shareholders of record the opportunity to vote on matters that will be presented at the Annual Meeting. This Proxy Statement provides you with information on these matters to assist you in voting your shares.

What is the purpose of the Annual Meeting?

The purpose of the Annual Meeting is to: (i) elect four directors; (ii) approve, on an advisory basis, the compensation of the Company's named executive officers; and (iii) to transact any such other business that properly comes before the Annual Meeting (each a "Proposal," and collectively, the "Proposals"). Although the Board of Directors does not anticipate that any other issues will come before the Annual Meeting, your completed and executed proxy gives the official proxies the right to vote your shares that you are entitled to vote in their discretion on any other matter properly brought before the Annual Meeting.

What is the record date for voting at the Annual Meeting?

The record date for purposes of determining the number of outstanding shares of our common stock eligible to vote at the Annual Meeting, and for determining the shareholders entitled to vote at the Annual Meeting, is the close of business on September 29, 2022 (the "Record Date"). As of the Record Date, 23,952,555 shares of common stock were issued and outstanding. No other series of stock is outstanding. Holders of the shares of common stock have no preemptive rights. The transfer agent for the common stock is:

Colonial Stock Transfer Company, Inc.
7840 S. 700 E.
Sandy, UT 84070
Phone: 801-355-5740
Fax: 801-355-6505

What is the quorum requirement for the Annual Meeting?

A quorum must be present at the meeting in order for the shareholders to take official action. Under Delaware law and our Certificate of Incorporation and Bylaws, a quorum will exist if a majority of the total number of shares entitled to vote are present, in person or by proxy.

What is a broker non-vote and how is it counted?

Under applicable rules, brokers are permitted to vote their customers' stock held in street name on routine matters when the brokers have not received voting instructions from their customers. However, brokers are not allowed to vote their customers' stock held in street name on non-routine matters unless they have received voting instructions from their customers. In such cases, the uninstructed shares for which the broker is unable to vote are called broker non-votes.

What routine matters will be voted on at the Annual Meeting?

There are no routine matters on which brokers may vote in their discretion on behalf of customers who have not provided voting instructions.

What non-routine matters will be voted on at the Annual Meeting?

The election of directors (Proposal one) and advisory approval of the Company's executive compensation (Proposal two) are non-routine matters on which brokers are not allowed to vote unless they have received voting instructions from their customers. Your broker will not be allowed to vote your shares on any non-routine matters without your specific instructions. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

How many votes are needed to approve each Proposal?

On all matters, except as otherwise provided by Delaware law, each holder of common stock will be entitled to one vote for each share of common stock held on the Record Date. Assuming that a quorum is present, the votes needed to approve each Proposal are set forth below.

Proposal one: In the election of directors, shareholders will not be allowed to cumulate their votes. The election of directors will be determined by plurality vote.

Proposal two: The Proposal to approve, by non-binding advisory vote, the compensation of our named executive officers requires that the votes cast in favor of the Proposal must exceed the votes cast against the Proposal.

Abstentions and broker non-votes will not affect the outcome of the election of directors and the advisory vote on the compensation of our named executive officers.

Other Matters: Any other matter properly presented for approval by the shareholders at the Annual Meeting will generally be approved if the number of votes cast in favor of such matter exceeds the number of votes cast in opposition. With respect to any such matter, abstentions and broker non-votes are not likely to affect the outcome of a vote on such matter. We are not currently aware of any other matters to be presented at the Annual Meeting.

What are the Board of Director's recommendations on the Proposals?

The Board of Directors recommends that shareholders cast their votes on the Proposals as follows:

- “FOR” all director nominees listed in the proxy statement, and
- “FOR” by non-binding advisory vote, the approval of the compensation of our named executive officers.

What is the difference between a “shareholder of record” and a “street name” holder?

These terms describe how your shares are held. If your shares are registered directly in your name with Colonial, our transfer agent, you are a “shareholder of record.” If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a “street name” holder.

Will I get more than one copy of the proxy statement, annual report or Notice of Internet Availability if there are multiple shareholders at my address?

In some cases, only one copy of this proxy statement, annual report or Notice of Internet Availability is being delivered to multiple shareholders sharing an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly, upon a written or oral request, a separate copy of this proxy statement, annual report or Notice of Internet Availability to a shareholder at a shared address to which a single copy of the document was delivered. Shareholders sharing an address may also submit requests for delivery of a single copy of the proxy statement, annual report or Notice of Internet Availability, but in such event will still receive separate proxies for each account. To request separate or single delivery of these materials now or in the future, a shareholder may submit a written request to the Corporate Secretary, ClearOne, Inc., 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116 or a shareholder may make a request by calling the Corporate Secretary at (801) 975-7200, or by contacting our transfer agent, Colonial Stock Transfer Company, Inc, 7840 S. 700 E., Sandy, UT 84070 or calling (801) 355-5740.

How do I vote?

If your shares of common stock are held in street name by a broker, bank or other nominee, you will receive information from your nominee as to how to instruct them to vote your shares of common stock for each of the Proposals discussed in this proxy statement.

If you are a shareholder of record and hold common stock in your own name, you may give instructions on how to vote your shares of common stock by following the instructions on the proxy card or Notice of Internet Availability on how to vote over the Internet, by phone, or by mail by completing, signing, dating and returning the proxy card.

By completing and submitting the proxy (whether over the internet, by telephone, or by signing, dating and mailing the accompanying proxy card), the shareholder authorizes Derek L. Graham, Interim Chief Executive Officer, and Narsi Narayanan, Corporate Secretary, as designated on the face of the proxy, to vote all shares for the shareholder. All proxies that are properly completed and submitted will be voted as the shareholder directs. If no direction is given, executed proxies will be voted FOR each proposal set forth in this proxy statement. Votes will be tabulated by Colonial.

How do I revoke my proxy?

You may revoke your proxy before the vote is taken at the Annual Meeting by:

- completing, signing and submitting a new proxy with a later date;
- attending the Annual Meeting and voting in person; or
- filing a signed, written notice of revocation with the Corporate Secretary of the Company.

Your attendance at the Annual Meeting will not automatically revoke your proxy.

If the common stock you own is held on your behalf by a broker, bank or other nominee, you must contact the nominee to receive instructions as to how you can revoke your proxy.

You may obtain an additional proxy card by writing to Corporate Secretary, ClearOne, Inc., 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116.

Where can I find the voting results of the Annual Meeting?

We will announce the preliminary voting results at the Annual Meeting and disclose the final voting results in a current report on Form 8-K filed with the SEC within four (4) business days of the date of the Annual Meeting, unless only preliminary voting results are available at that time. To the extent necessary, we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known. You may access or obtain a copy of these and our other reports filed with the SEC free of charge on our web site at <http://www.clearone.com>. Also, such Form 8-K, any amendments thereto and other reports we file with the SEC are available to you over the Internet at the SEC's web site at <http://www.sec.gov>.

How can I view the shareholder list?

A complete list of shareholders of record entitled to vote at the Annual Meeting will be available for viewing during ordinary business hours for a period of ten (10) days before the Annual Meeting at our offices located at 5225 Wiley Post Way, Suite 500, Salt Lake City, Utah 84116.

Who pays for the proxy solicitation related to the Annual Meeting?

We will bear the costs of the solicitation. The solicitation of proxies by the Board of Directors will be conducted primarily by mail and through the Internet. Additionally, our officers, directors and employees may solicit proxies personally or by telephone, email or other forms of wire or facsimile communication. These officers, directors and employees will not receive any extra compensation for these services. We may reimburse brokers, custodians, nominees and fiduciaries for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of our common stock as of the record date.

How can I obtain a copy of the Annual Report?

We will provide, without charge, a printed copy of our 2021 Annual Report on Form 10-K, as filed with the Securities and Exchange Commission, to each shareholder of record as of the record date that requests a copy in writing. Any such requests should be directed to our Corporate Secretary at our corporate offices set forth in this proxy statement.

You may also access or obtain a copy of our 2021 Annual Report on Form 10-K and other reports filed with the SEC free of charge on our web site at <http://www.clearone.com>, or at the SEC's web site at <http://www.sec.gov>. The 2021 Annual Report contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The information contained in the "Audit and Compliance Committee Report" shall not be deemed "filed" with the Securities and Exchange Commission or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Certificate of Incorporation and bylaws provide that our Board of Directors shall consist of not less than three or more than nine members as determined by the Board of Directors or our shareholders from time to time. We have nominated current directors Ms. Hakimoglu, Mr. Hendricks, Ms. Higley, Mr. Robinson and Mr. Whaley for election at the meeting to serve until the next Annual Meeting of Shareholders or until their respective successors are duly elected and qualified. In the event any nominee is unable to serve, the proxies will be voted for a substitute nominee, if any, to be designated by our Board of Directors. The Board of Directors has no reason to believe any nominee will be unable or will decline to serve as a director.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" ELECTION OF THE DIRECTOR NOMINEES NAMED HEREIN.

Larry R. Hendricks has served as a director of our company since June 2003. Mr. Hendricks is a Certified Public Accountant who retired in December 2002 after serving as Vice President of Finance and General Manager of Daily Foods, Inc., a national meat processing company. He earned a Bachelor's Degree in Accounting from Utah State University and a Master of Business Administration Degree from the University of Utah. In light of Mr. Hendricks' background in finance and accounting and his deep understanding of our business due to his long service on our Board, the Board has concluded that Mr. Hendricks should continue to serve as a director.

Lisa B. Higley was appointed a director of our company effective July 20, 2020. Ms. Higley has been self-employed as a CPA since June 2009. Previously, she was the CFO for Daisy D's Paper Company from March 2007 until January 2009, where she managed all aspects of the company's financial and accounting responsibilities. Ms. Higley is the daughter of Edward D. Bagley, our former Chairman of the Board. Mr. Edward D. Bagley beneficially owns 45% of our issued and outstanding common stock. In light of Ms. Higley's background in finance and accounting, the Board concluded that Ms. Higley should continue to serve as a director.

Bruce Whaley was appointed a director of our company effective April 16, 2019. Mr. Whaley has extensive experience as a stock broker for nearly five decades. Mr. Whaley is currently a broker trading at Wilson & Davis, a regional brokerage firm based in Salt Lake City, Utah. He has been with Wilson & Davis since 1988. Mr. Whaley attended University of Utah between 1968 and 1971 and studied many subjects including business administration, accounting and finance. He did not graduate with a degree. In light of Mr. Whaley's background in finance and capital markets, the Board concluded that Mr. Whaley should continue to serve as a director.

CORPORATE GOVERNANCE

Information Relating to Corporate Governance and the Board of Directors

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Messrs. Hendricks, Robinson and Whaley are independent directors, as “independence” is defined by the listing standards of NASDAQ. This determination was made because Messrs. Hendricks, Robinson and Whaley have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit and Compliance Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.

Our Board of Directors has adopted charters for the Audit and Compliance, Compensation and Nominating Committees describing the authority and responsibilities delegated to each committee by the Board. We post on our website at www.clearone.com the charters of our Audit and Compliance, Compensation and Nominating Committees, our Code of Ethics, and any amendments or waivers thereto and any other corporate governance materials contemplated by SEC or NASDAQ regulations. These documents are also available in print to any shareholder requesting a copy in writing from our Corporate Secretary at our corporate offices located at the address set forth in this proxy statement.

Board Leadership Structure

The Board believes that there is no one best leadership structure model that is most effective in all circumstances. The Board adheres to a flexible approach to the question of whether to separate the positions of Chairman and Chief Executive Officer (“CEO”) and the necessity of a lead independent director, and will consider a variety of factors in making a decision, including, but not limited to, the current performance of the Company and the experience, knowledge and temperament of the Chief Executive Officer. The Board remains flexible and committed to a strong corporate governance structure and board independence. The Board is committed to adopting corporate management and governance policies and strategies that promote our effective and ethical management. In this regard, the Board strongly believes that it should have maximum flexibility in deciding whether the offices of Chairman and Chief Executive Officer are combined or separate and, if separate, whether the Chairman should be an independent director or an employee.

The roles of Chairman and Chief Executive Officer were separated in February 2022 when Mr. Robinson was named Chairman of the Board in light of Mr. Robinson’s leadership, experience, and knowledge of the Company and its stockholders. The Board determined and continues to believe that it was in our best interests and our stockholders’ best interests to separate the roles of Chairman and Chief Executive Officer.

The Chief Executive Officer and the independent directors have different perspectives and roles in strategy development. The Chief Executive Officer brings Company-specific experience and expertise, while the Company’s independent directors bring experience, oversight, and expertise from outside the Company and its industry. The Board believes its independent directors provide effective oversight of management, and that the separation of Chief Executive Officer and Chairman together with a Board whose majority of directors are independent, provides the appropriate balance between independent oversight of management and the development of strategy.

Board Role in Risk Oversight

The Board of Directors is responsible for overseeing the management of the business and affairs of the Company, but delegates day-to-day management of the Company to the Chief Executive Officer and our executive management team. The Board of Directors is generally responsible for risk oversight, and the Audit and Compliance Committee assists the Board in fulfilling its responsibilities for general oversight of risk assessment and risk management. In addition, the other Board committees are also tasked with specific risk oversight functions pursuant to the terms of the committee charters or applicable NASDAQ rules. The Board as a whole and the various standing committees, in performing their respective risk oversight functions, have access to our company’s management team and external advisors, as necessary, and receive periodic presentations and reports from management, and incidental reports as matters arise with respect to strategic, operational, financial, legal or other risks and the plans management has to control such risks.

Committees of the Board of Directors

Audit and Compliance Committee. The Audit and Compliance Committee meets to review and discuss our accounting practices and procedures with management and independent public accountants and to review our quarterly and annual financial statements. The Audit and Compliance Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing, and reporting practices.

The Audit and Compliance Committee's primary duties include reviewing the scope and adequacy of our internal accounting and financial controls; reviewing the independence of our independent registered public accounting firm; approving the scope of our independent registered public accounting firm's audit activities; approving the fees of our independent registered public accounting firm; approving any non-audit related services; reviewing the audit results; reviewing the objectivity and effectiveness of our internal audit function; and reviewing our financial reporting activities and the application of accounting standards and principles.

The members of the Audit and Compliance Committee are Eric L. Robinson (Chairman), Larry R. Hendricks and Bruce Whaley. Each member of the audit committee, in addition to being independent under the standards of NASDAQ, is independent under the standards of the Securities and Exchange Commission's rules and regulations pertaining to listed company audit committees. The Board of Directors has determined that Eric L. Robinson is an "audit committee financial expert" in accordance with applicable rules and regulations of the SEC.

Compensation Committee. The Compensation Committee is responsible for overseeing, reviewing, and approving our executive compensation and benefit programs and administers the Company's equity incentive plans for employees. Under its charter, the Compensation Committee may delegate authority to subcommittees of the Compensation Committee or to executive officers of the Company, particularly the President and CEO with respect to compensation determinations for persons who are not executive officers of the Company. The members of the Compensation Committee are Bruce Whaley (Chairman), Larry R. Hendricks and Eric L. Robinson.

Our compensation objectives for executive officers are as follows:

- to attract and retain highly qualified individuals capable of making significant contributions to the long-term success of our company;
- to use incentive compensation to reinforce strategic performance objectives;
- to align the interest of our executives with the interests of our shareholders such that the risks and rewards of strategic decisions are shared; and
- to reflect the value of each officer's position in the marketplace and within our company.

Policies and Practices Related to ClearOne's Compensation Program. We strive to create an overall compensation package for each executive officer that satisfies the aforementioned objectives, recognizing that certain elements of compensation are better suited to reflect different compensation objectives. For example, as base salaries are the only element of compensation that are fixed in amount in advance of the year in which the compensation will be earned, the Compensation Committee believes that it is most appropriate to determine base salaries with a focus on the market practices for similarly situated officers at comparable companies as adjusted to reflect the individual officer's performance during the preceding year. In contrast, cash bonuses and long-term incentives are better able to reflect our company's performance as measured by financial metrics and are well-suited to motivate officers to achieve specific performance goals that the Compensation Committee has determined are in the best interests of our company. Equity grants are also well-suited to drive long-term performance and align management's interests with those of shareholders. The Compensation Committee believes that as an officer's responsibility increases, so does his or her ability to influence the performance of our company and accordingly, the proportion of his or her compensation that consists of his or her salary and cash bonus should decrease while the proportion of equity incentives to total compensation should increase.

Comparable Companies. In making compensation decisions, including assessing the competitiveness of the total compensation structure for each named executive officer, the Compensation Committee considers compensation survey data from companies that the Compensation Committee has selected as comparable in terms of industry, size and location. The Compensation Committee periodically reviews the companies that are included as comparable companies and makes revisions to the group as appropriate. The Compensation Committee also reviews executive compensation information for several Utah based publicly-traded companies having revenues similar to those of the Company.

Equity Grant Practices. The Compensation Committee recognizes the importance of equity ownership in the alignment of shareholder and management interests. The exercise price of each stock option awarded to our executive officers under our incentive compensation programs is equal to the closing price of our common stock on the date of grant, which is the date when the Compensation Committee acts to approve equity awards for senior executives. Performance-based equity awards are also granted to our named executive officers at this time.

The Compensation Committee establishes the criteria, and directs the implementation, of all compensation program elements for the executive officers. The Compensation Committee considers the Chief Executive Officer's appraisal of other executive officers' general performance and looks especially to performance against predetermined goals before making its recommendation to the Board of Directors. The Chief Executive Officer recommends for the Compensation Committee's approval the stock option grants and compensation related to achievement of non-quantitative goals under non-equity-based incentive plans for other executive officers. The Compensation Committee did not employ any compensation consultants during the year ended December 31, 2021.

Nominating Committee. The Nominating Committee is responsible for overseeing the nomination of our directors. The Nominating Committee selects, evaluates, and recommends to the full Board of Directors qualified candidates for election to the Board of Directors. The members of the Nominating Committee are Larry R. Hendricks (Chairman), Eric L. Robinson, and Bruce Whaley.

The Board of Directors will consider recommendations by shareholders for director nominees if the names of those nominees and relevant biographical information are submitted in writing to our company's Secretary in the manner described for shareholder nominations below under the heading "Shareholder Proposals." The Nominating Committee identifies and evaluates nominees for our Board of Directors, including nominees recommended by shareholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our Board of Directors. Although the Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's business. All director nominations, whether submitted by a shareholder, the Nominating Committee, or the Board of Directors, will be evaluated in the same manner. All of the current nominees for director were recommended by the Nominating Committee and nominated by the Board of Directors. All director nominees have consented to serve as directors, if elected, until the next Annual Meeting of Shareholders or until their successors are elected and qualified and have consented to be named as nominees.

Board and Committee Meetings

Our Board of Directors held a total of 22 meetings in 2021. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors; and (ii) the total number of meetings held by all committees of the Board of Directors on which such director was a member. Although we currently have no formal policy with respect to the attendance of members of the Board of Directors at the Annual Meetings of Shareholders, we encourage each of our directors to attend each annual meeting of shareholders. To that end, and to the extent reasonably practicable, we regularly schedule a meeting of the Board of Directors on the same day as our annual meeting of shareholders. All members of our current Board of Directors attended the 2021 Annual Meeting of Shareholders.

In 2021, the Audit and Compliance Committee held five meetings, the Compensation Committee held two meetings, and the Nominating Committee held one meeting.

Code of Ethics

The Board of Directors adopted a code of ethics that applies to our Board of Directors, executive officers, and employees. The Company's Code of Ethics is posted on our website at www.clearone.com.

Board Diversity

We believe that we and our Board benefit from diversity with respect to professional background, education, race, ethnicity, gender, age and geography, as well as other individual qualities and attributes that contribute to the total mix of viewpoints and experience represented on our Board. Although our Board of Directors does not maintain a specific policy with respect to Board diversity, our Board of Directors believes that the Board should be a diverse body, and the Nominating and Corporate Governance Committee considers a broad range of perspectives, backgrounds and experiences when considering whether to recommend the nomination of any particular director candidate.

GRANTS OF PLAN-BASED AWARDS

There were no grants of stock options to named executive officers during 2021.

OPTION EXERCISES AND STOCK VESTED

There were no exercises of stock options by named executive officers during 2021. During 2021, 16,666 shares vested for Zeynep Hakimoglu and 10,000 shares vested for Narsi Narayanan.

Potential Payments Upon Termination or Change in Control

Employment Agreements. As of the year ended December 31, 2021, none of our named executive officers was party to an employment or severance agreement with us, and each named executive officer's employment was on an "at-will" basis, permitting either us or the executive to terminate his or her employment for any reason or for no reason.

Accelerated Stock Option Vesting Upon a Change in Control. For certain option grants to executive officers and directors, in the event of a change in control, all of such optionee's unvested stock options will vest and become exercisable immediately prior to the event or the closing of the transaction causing the change in control.

Under the option grants, a "Change in Control" means a change in ownership or control of the Company effected through either of the following transactions:

- (i) the acquisition, directly or indirectly, by any person or related group of persons (other than the Company or a person that directly or indirectly controls, is controlled by, or is under common control with, the Company), of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Company's outstanding securities pursuant to a tender or exchange offer made directly to the Company's shareholders, or

(ii) a change in the composition of the Board over a period of thirty-six (36) consecutive months or less, such that a majority of the Board members ceases, by reason of one or more contested elections for Board membership, to be comprised of individuals who either (A) have been Board members continuously since the beginning of such period or (B) have been elected or nominated for election as Board members during such period by at least a majority of the Board members described in clause (A) who were still in office at the time the Board approved such election or nomination.

Except as otherwise set forth in an option grant, in the event of a change in control of our company, the Board of Directors has the sole authority to elect that the vesting of each outstanding option automatically accelerate so that each such option shall, immediately prior to the effective date of the corporate transaction, become fully exercisable for all of the shares of common stock at the time subject to such option and may be exercised for any or all of those shares as fully vested shares of common stock.

At our current stock price of about \$0.58, none of our named executive officers would benefit from any potential accelerated vesting of unvested stock options.

DIRECTOR COMPENSATION

The following table summarizes the compensation paid by us to non-employee directors for the year ended December 31, 2021. Ms. Hakimoglu did not receive additional compensation for her service as a director.

Eric L. Robinson	40,800	13,200	—	54,000

During 2021, each non-executive director named above received a grant of stock options to purchase 10,000 shares with 6-year expiry period. All directors are reimbursed by the Company for their out-of-pocket travel and related expenses, if any, incurred in attending all Board of Directors and committee meetings. However, during 2021 no expenses were reimbursed to any director.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

We recognize that transactions between us and any of our directors, executives or other related persons can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our Company and shareholders. Therefore, as a general matter and in accordance with our Code of Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of our Company. Under the terms of its charter, our Audit and Compliance Committee reviews and, if appropriate, approves or ratifies any such transactions. Pursuant to the charter, the Committee will review any transaction in which we are or will be a participant and the amount involved exceeds \$120,000, and in which any of our directors or executives had, has or will have a direct or indirect material interest. After its review, the Committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of our Company and our shareholders, as the Committee determines in good faith. The Company's Board of Directors adopted the Company's Related Party Transactions Policy on January 18, 2017. Pursuant to the terms of the Consulting Agreement Mr. Bagley is paid a fee of \$5,000 per month and is eligible to participate in our equity incentive programs and will be granted stock options commensurate with grants of stock options made to our directors. During 2021, he was paid \$60,000 as consulting fees and was awarded a grant of stock option to purchase 10,000 shares.

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Larry Hendricks, Eric Robinson and Bruce Whaley are independent directors, in accordance with the definition of “independence” under the listing standards of NASDAQ, because they have no relationship with us that would interfere with their exercise of independent judgment.

Our Board of Directors has an Audit and Compliance Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors.

Respectfully submitted by the members of the Audit and Compliance Committee.

PROPOSAL TWO

APPROVAL, BY NON-BINDING VOTE, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the disclosure rules of the SEC.

As described in detail under the heading “Executive Compensation,” our executive compensation programs are designed to attract and retain key executives, to stimulate management’s efforts on our behalf in a way that supports our business plan and to align management’s incentives with our long-term interests and those of our shareholders. Please read the discussion under the heading “Executive Compensation” for additional details about our executive compensation programs, including information about the fiscal year 2021 compensation of our named executive officers.

We are asking shareholders to indicate their support for our named executive officers’ compensation as described in this proxy statement. This proposal, commonly known as “say on pay,” gives our shareholders the opportunity to express their views on our named executive officers’ compensation. The vote on this proposal is not intended to address any specific element of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote FOR this proposal on their proxy card.

The say on pay vote is advisory and, therefore, not binding on the Company, the Compensation Committee or the Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders, and to the extent there is any significant vote against our named executive officers’ compensation as disclosed in this proxy statement, the Compensation Committee will evaluate what, if any, actions are necessary to address the concerns of shareholders.

Accordingly, we ask our shareholders to approve the following advisory resolution at the 2022 Annual Meeting:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including in the compensation tables and narrative discussion, is hereby APPROVED.”

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.
