ClearOne to Present at the 16th Annual Southern California Investor Conference

SALT LAKE CITY, Aug. 22, 2011 /PRNewswire/ -- ClearOne Communications, Inc. (NASDAQ: CLRO), a global communications and entertainment solutions company, today announced it will present to the financial community at the Southern California Investor Conference.

Date: Aug 29, 2011
Time: 8:30 a.m. PDT
Location: The Island Hotel – Newport Beach, California
Presenter: Zee Hakimoglu, President and CEO

Hosted by California Equity Research, the Southern California Investor Conference highlights the wealth of growth companies located in the region including world recognized life science, technology, media, real estate and financial companies.

About ClearOne

ClearOne is a global communications solutions company that develops and sells conferencing, collaboration, multi-media streaming and connectivity systems for audio, video, and web applications. The reliability, flexibility and performance of our advanced comprehensive solutions enhance the quality of life through better communication, education, and entertainment.

We develop, manufacture, market, and service a comprehensive line of high-quality audio conferencing products under personal, tabletop, premium and professional categories. We occupy the number one position in the global professional audio conferencing market with nearly 50% of the global market share. Our conferencing solutions save organizations time and money by creating a natural environment for collaboration.

NetStreams, a ClearOne brand of residential products, delivers the ultimate IP A/V experience by distributing high definition audio and video over TCP/IP networks. NetStreams' products, designed for commercial and residential use, offer unprecedented levels of performance, functionality, simplicity, reliability, and expandability. By combining audio/video content, meta-data and control signals into one stream and incorporating industry standards, NetStreams' newly patented StreamNet® solutions are a smart investment, enabling the Power of AV over IP™ today.

NetStreams' StreamNet technology provides elegant solutions for streaming media & control applications such as digital signage, distribution of HD video and audio, LAN Cloud Matrix Switching™, and audio paging over data networks.
