ClearOne Strengthens U.S. Partner Support with the Appointment of Mountain AV Marketing and Momentum Group

The two manufacturer sales rep firms join ClearOne's growing and expanding United States sales organization

SALT LAKE CITY, UTAH, August 3, 2022 — Underscoring its commitment to provide partners with the highest levels of sales, training, and customer support, ClearOne (NASDAQ: CLRO) today announced the appointment of two new United States manufacturer sales representatives: Phoenix based **Mountain AV Marketing** will represent ClearOne in Arizona, New Mexico and El Paso, TX; and Denver based **Momentum Group** will represent ClearOne in Colorado, Utah, Wyoming, Montana, Idaho.

"Mountain AV Marketing and Momentum Group have the exact industry experience, product category knowledge, and sales application experience that will immediately benefit our partners in the states each firm covers," said ClearOne Interim CEO Derek Graham in announcing the appointments. "I am confident that their experience, drive, and commitment to market growth will drive sales for our full line of conferencing, collaboration, and network streaming solutions."

Based in Phoenix, Arizona, Mountain AV Marketing serves as a manufacturer's representative to the commercial AV and professional sound and lighting market channels. Chris Henley opened Mountain AV Marketing as owner and founder with over 29 years of experience as an end user, AV integrator and independent rep. that served the western part of the United States. The company represents manufacturers throughout the southwest and the Rocky Mountain states.

Based in Denver, Colorado, Momentum Group is a nationally recognized and award winning manufacturer's representative firm in the residential and commercial AV channels in the Rocky Mountain territory.

Momentum Group builds and grows partnerships by delivering exceptional service and support to its dealer and manufacturer partners. Momentum's goal is to exceed the expectations of everyone they do business with.
